This HV Manager End-User License Agreement (this "Agreement") is a legal agreement between you ("Licensee", either an entity or individual person) and AprelTech, llc (www.apreltech.com) regarding the use of the HV Manager software product accompanying this Agreement, including without limitation associated documentation ("HV Manager" or "Software Product").
By accepting this Agreement or by copying, installing, uploading, accessing or using all or any portion of the Software Product Licensee agrees to enter into this Agreement. A contract is then formed between AprelTech and the licensed user of the software.

Except as explicitly authorized in this Agreement, Licensee shall not itself, or through any parent, subsidiary, affiliate, agent or other third party:
