**VERY IMPORTANT - READ CAREFULLY:** This ArtfulBits Software License Agreement (hereinafter, this "LICENSE") is a legal agreement between you (either an individual or a single entity) and ArtfulBits, Inc. ("ArtfulBits"), for the software containing this LICENSE or products identified in the distribution package which contain computer software and associated media and printed materials, and may include "on-line" or electronic documentation (the "SOFTWARE") and for which the License-Key(s) are obtained through Artfulbits or its authorized distributor.

Notice: This product may incorporate intellectual property owned by Google company.

IT IS NECESSARY FOR YOU TO AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE BEFORE YOU ARE PERMITTED TO CONTINUE TO INSTALL THE SOFTWARE. BY INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE INCLUDING THE WARRANTY DISCLAIMERS, LIMITATIONS ON LIABILITY AND TERMINATION PROVISIONS.

If you do not agree to the terms of this LICENSE please DO NOT INSTALL, COPY, OR OTHERWISE USE THE SOFTWARE. You will be entitled to a full refund of the amount paid for the SOFTWARE provided you return the unused SOFTWARE to the place from which you obtained it within thirty (30) days of the date of purchase.

## I. OWNERSHIP; LICENSE GRANT.

This is a license agreement and NOT an agreement for sale. ArtfulBits continues to own the copy of the SOFTWARE contained in distribution package and all copies thereof. Your rights to the SOFTWARE are specified in this LICENSE, and ArtfulBits retains all rights not expressly granted to you in this LICENSE. ArtfulBits hereby grants to you, and you accept, a non-exclusive, non-transferable license to use, copy and modify the SOFTWARE only as authorized below.

## II. PERMITTED USES.

**This LICENSE grants you the following rights:**

A. The SOFTWARE is licensed per individual developer. You may make copies on more than one computer, as long as the use of the SOFTWARE is by the same developer. If you have purchased a "multi-pack" license, you may use a copy of the SOFTWARE identified in the multi-pack on the number of computers associated with the multi-pack (e.g. a five user multi-pack allows you to use the SOFTWARE on up to five computers concurrently or by five different developers, the ten user multi-pack on up to ten computers concurrently or by ten different developers). The SOFTWARE is in "use" on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk, CD-ROM, or other storage device) of that computer. However, installation on a network server for the sole purpose of internal distribution to one or more other computer(s) shall not constitute "use" for which a separate license is required, provided you have a separate license for each computer to which the SOFTWARE is distributed.

B. Solely with respect to electronic documents included with the SOFTWARE, you may make a copy (either in hardcopy or electronic form) for each developer for which the Software has been licensed as described in Section II.A, above; **provided**, that such copies shall be used only by such developer for internal purposes and are not to be republished or distributed to any other third party or developer.

C. You may use the trial versions only for the limited purposes of demonstrations, trials and design time evaluations and running a product tour.

The Subscription License ("SUBSCRIPTION") is built on top of the Developer License. You are further granted a license as a single developer (individual) to all versions of the particular licensed Software released during the period of the subscription. SUBSCRIPTION grants: Bug Tracking System ("BTS") access; high priority feedback; access to the latest fixes and builds; live help in customization and issues solving; live interaction with developers team; and valid only for specified period, which originally is 1 year. At the end of the period, on customer request, SUBSCRIPTION can be prolonged for next year.

### **III. PROHIBITED USES.**

You may not, without the prior written permission of ArtfulBits:

- A. Disassemble, decompile or "unlock", decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover any source code or underlying algorithms of SOFTWARE provided in object code form only.
- B. Use, copy, modify, or merge copies of the SOFTWARE and any accompanying documents except as permitted in this LICENSE.
- C. Transfer, rent, lease, or sublicense the SOFTWARE.
- D. Separate the software programs comprising the SOFTWARE for use by more than one user at a time.

### **IV. REDISTRIBUTABLE COMPONENTS.**

A. In addition to the license and rights granted in Sections I and II, ArtfulBits grants you the following rights to use the provided SOFTWARE:

- You may use the SOFTWARE to create your own components, as long as, it is NOT the basis for creating a product that provides the same, or substantially the same, functionality as any ArtfulBits product;
- In the event you develop any modifications, enhancements, derivative works and/or extensions to the SOFTWARE, either independently or jointly with ArtfulBits, such modifications, enhancements, derivative works and/or extensions and all rights associated therewith will be the exclusive property of ArtfulBits. You will not grant, either expressly or impliedly, any rights, title, interest, or licenses to any such modifications, enhancements, derivative works and/or extensions to any third party. You will, however, be entitled to use such modifications, enhancements, derivative works and/or extensions under the terms set forth in this agreement. You hereby assign all right, title and interest in and to such modifications, enhancements, derivative works and/or extensions to the SOFTWARE to ArtfulBits. You also agree to execute, acknowledge and deliver to ArtfulBits all documents and do all things ArtfulBits deems necessary or desirable, at no cost to but at ArtfulBits' expense, to enable ArtfulBits to obtain and secure such modifications, enhancements, derivative works and/or extensions anywhere in the World. You agree to secure all necessary rights and obligations from relevant employees, or third parties in order to satisfy the above obligations.

C. In addition to the other requirements set forth in this Section IV, you hereby agree to indemnify, hold harmless, and defend ArtfulBits from and against any and all liabilities, damages, losses, costs and expenses (including reasonable attorneys' fees) arising from or related to any claim, action, proceeding or allegation that arises or results, either directly or indirectly, from the use and distribution of any of your software application product(s) or components.
