Wait for install to succeed, click "Next" to check deployment status details.

License Management

ArtfulBits List Search WebPart uses Per-Farm Licensing Model (each license is bound to single SharePoint Farm ID). For more details about licensing models please visit http://www.artfulbits.com/purchase/licensing.aspx.

Product works in unlicensed mode for three days from the moment of installation. In this mode all the product features are unlocked same way as with trial license. After these three days either trial license or full license should be entered for product to function.

To get a Trial license navigate to: http://www.artfulbits.com/products/sharepoint/sales/get-trial-license.aspx?productcode=SPSRCH001

You can buy the product by the following link: http://www.artfulbits.com/purchase/purchase.aspx?productcode=SPSRCH001

After ArtfulBits License Manager is installed, go to the SharePoint Central Administration page:

Security

Manage the farm administrators group Configure service accounts

General Application Settings Configure send to connections Configure content deployment paths and jobs Manage form templates

ArtfulBits Solutions Configuration ArtfulBits License Manager

This page shows all ArtfulBits products and their license statuses.

1 🜌 2 📑 3 🗸	ArtfulBits KPI Column v2.0	Professional	Full license

Product Edition	Evaluation Please visit following link for product editions comparison	chart.	
License Status	No license (delete license) Note: in trial or unlicensed mode all product features are available for evaluation. After trial period license should be purchased which will determine product edition and available feature set. Please visit following link for product editions comparison chart.		
License Operations	Farm ID: 2a77814c-c3da-4a69-949d-f094c6740c80	Get free trial license Go to purchase page	

Go Back

If product is not licensed you can click "Enter License" link and enter license key (trial or full) into textbox. For upgrading product edition click "Convert License" and enter new license of target product edition.

Pressing "Activate" button will verify the key and in case of verification success license status will be updated.

Professional Please visit following link for product editions comparison chart.
Full license Product version: 1.x Note: in trial or unlicensed mode all product features are available for evaluation. After trial period license should be purchased which will determine product edition and available feature set. Please visit following link for product editions comparison chart.

<u>Note</u>: in trial or unlicensed mode **all** product features are available for evaluation. This way you will be able to try each and every feature available in the product line which will give you good understanding of what feature set will be necessary for you and it will be easier to come up with the decision which product edition should be purchased. After trial period expiration full license should be purchased which will determine product edition and available (unlocked) feature set.

Special link informing about product expiration is shown in SharePoint pages, where ArtfulBits component is used if product is using trial license or such license is "Expired" or no license is provided at all. Clicking on this link will redirect to product license status details page.

🗴 License for ArtfulBits List Search Web Part v1.0 is not provided. Please, click here to enter free trial or purchased license.

Activating / Deactivating Feature

Click "Site Actions" menu in the root site of one site collection, then click "Site Settings":

Click "Site collection features" link in Site Settings page:
