

End User License Agreement (EULA)

This EULA covers the software product dbFront and all of its components.

License

Under this End User License Agreement (the "Agreement"), dbFront (the "Vendor") grants to the user (the "Licensee") a non-exclusive and non-transferable license (the "License") to use dbFront (the "Software").

"Software" includes the executable computer programs and any related printed, electronic and online documentation and any other files that may accompany the product.

Title, copyright, intellectual property rights and distribution rights of the Software remain exclusively with the Vendor. Intellectual property rights include the look and feel of the Software. This Agreement constitutes a license for use only and is not in any way a transfer of ownership rights to the Software.

The rights and obligations of this Agreement are personal rights granted to the Licensee only. The Licensee may not transfer or assign any of the rights or obligations granted under this Agreement to any other person or legal entity. The Licensee may not make available the Software for use by one or more third parties.

The Software may not be modified, reverse-engineered, or de-compiled in any manner through current or future available technologies.

Failure to comply with any of the terms under the License section will be considered a material breach of this Agreement.

Open Source We Use

We love open source because it allows us to quickly solve common problems so we can get to the nitty-gritty of building our unique solutions.

This EULA recognized the license of each resource. For full details see: [Open Source We Use](#).

License Fee

The original purchase price paid by the Licensee will constitute the entire license fee and is the full consideration for this Agreement.

Limited Liability

This software is distributed "as-is" without any warranties, conditions and representations whether express or implied, including without limitation the implied warranties and conditions of merchantability, merchantable quality, fitness for a particular purpose, durability, non-infringement, performance and those arising by statute or from custom or usage of trade or course of dealing.
