Revision date: 03/12/2020

- **IMPORTANT-READ CAREFULLY: THIS IS A LEGAL AGREEMENT BETWEEN YOU AND DYNAMSOFT CORPORATION, FOR THE DYNAMSOFT SOFTWARE AND ANY ACCOMPANYING ONLINE OR ELECTRONIC DOCUMENTATION ("SOFTWARE"). BEFORE CONTINUING WITH THE INSTALLATION OF THE SOFTWARE, YOU MUST READ, ACKNOWLEDGE AND ACCEPT THE TERMS AND CONDITIONS OF THE SOFTWARE LICENSE AGREEMENT THAT FOLLOWS ("AGREEMENT"). IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THE AGREEMENT, YOU MAY RETURN, WITHIN THIRTY (30) DAYS OF PURCHASE, THE SOFTWARE TO THE PLACE YOU OBTAINED IT FOR A FULL REFUND.**
- **GRANT OF LICENSE**

Dynamsoft Corporation grants you a nonexclusive and limited license to use the Software products and functionalities for which you have paid the applicable fees solely for your internal business purposes and in accordance with the terms and conditions of this Agreement. The Software is licensed, not sold, to you. If you acquire or are provided with any directories, components, connectors, utilities, data, or other items from Dynamsoft for use with the Software (the "Additional Software"), your use of the Additional Software shall be in accordance with the terms, conditions, obligations and restrictions of this Agreement. The term "Software" as used herein, shall be deemed to include the Additional Software and Third Party Products.

- **INSTALLATION AND USE**

You may install and use the Software only in the configuration and for the number of licenses acquired by you. In order to exercise your rights to the Software under this License Agreement you must activate your copy of the Software in the manner described during the launch sequence. Dynamsoft may control the number and type of licenses and the use of the Software by key codes.

- **DEFINITIONS**

"Software": The "Dynamsoft Barcode Reader" software and all accompanying components, parts, and documentation that have been developed by Dynamsoft.

"Licensee" means the person or entity entering into this Agreement with Dynamsoft. Any person who is entering into this Agreement on behalf of an organizational entity represents that he or she has the authority to bind such entity.

"Redistributables" are those runtime libraries and files intended for duplication and distribution with the Application.

"Application" means an end user iOS and Android App that Licensee develops using the Software and into which the Redistributables are incorporated, and that contains significant additional functionality over and above the functionality contained in the Software.

"Employee App" means Application that is used by employees in Licensee's company, outsourcing vendors, and/or client companies.

"Consumer App" means Application that is targeted at and used by consumers.

- **EVALUATION/NOT FOR RESALE LICENSE**

An Evaluation or Not For Resale License may be used only for the number and type of licenses specified and for the period specified on the Software packaging, ordering or shipping documentation. Upon expiration of such specified period, the Software associated with an Evaluation or Not For Resale license will not function unless Licensee has obtained applicable full license keys. If the ordering or shipping documentation specifies a particular project, the Software may be used only with that project.

An Evaluation License may only be used for evaluation purposes and may not be used for production purposes. Notwithstanding any other provision of this Agreement, Software provided under an Evaluation or Not for Resale License are provided "AS-IS" without warranty of any kind, express or implied. An Evaluation License or Not for Resale License may be terminated by Dynamsoft Corporation upon written notice at any time.

- **FULL LICENSE**

The license of Mobile Edition covers both Android and iOS Apps.

One (1) Mobile Edition license is limited to one (1) Application. Native Apps that run on both Android and iOS are defined as one Application so long as they have the same set of feature, UI, and App name. A hybrid App that runs on both Android and iOS is defined as one (1) Application.

- **DEVELOPMENT LICENSE**

If Licensee receives a Development License, Licensee may use the number and type of licenses acquired only to develop or test. A Development License cannot be used in or transferred to a production environment. A Development License is required before Licensee can distribute the Software.

With a Development License, Dynamsoft grants Licensee a limited, non-exclusive, non-transferable license to use the Software and the accompanying materials for the purpose of development and testing. One Development License allows Licensee to deploy one Application to up to ten (10) mobile devices for testing purposes.

With one Development License, multiple named developers can use the SOFTWARE for development of one Application.

- **RUNTIME LICENSE FOR DEPLOYMENT**

One Mobile Edition License allows for distribution of a single Consumer App or Employee App on a given number of devices through Android's Google Play store and Apple's iTunes store.

Uninstalled devices still count against the total until the renewal period restarts. Uninstalls from the previous year will not count against the total in the new year.

- **RESTRICTIONS**

All rights reserved. Except as expressly permitted by this License Agreement or by applicable law you may not: (a) lease, loan, resell, assign, sublicense, or otherwise distribute the Software or any of the rights granted by this License Agreement without the express written permission of Dynamsoft; (b) use the Software to provide or operate Application Service Provider (ASP), service bureau, marketing, training, outsourcing services, or consulting services, or any other commercial service related to the Software or to develop training materials; (c) modify (even for purposes of error

correction), adapt, or translate the Software or create derivative works therefrom except as necessary to configure the Software using the menus, options and tools provided for such purposes and contained in the Software; (d) in any way reverse engineer, disassemble or decompile the Software (including reverse compiling to ensure interoperability) or any portion thereof except to the extent and for the express purposes authorized by applicable law notwithstanding this limitation; (e) use the Software to develop a product which is competitive with any Dynamsoft Corporation product offerings; (f) use unauthorized keycode(s); (g) disclose any Software benchmark results to any third party without Dynamsoft prior written approval, (h) permit third party access to, or use of the Software except as expressly permitted herein, and (i) distribute or publish keycode(s). If you wish to exercise any right to reverse engineer to ensure interoperability in accordance with applicable law, you shall first provide written notice to Dynamsoft and permit Dynamsoft, at its discretion, to make an offer to provide information and assistance reasonably required to ensure Software interoperability with your other products for a fee to be mutually agreed upon (if any).

Your product is targeted to end users. The end-user application you develop using the Software must not be another development tool and/or SDK.

Users of end-user applications you develop using the Software may not further use the Software, in whole or in part, for software development, copying or distribution. You must enforce this restriction in a separate agreement between you and the end user of your applications.

Evaluation License holders are granted the use of only one copy of the Software per Evaluation License. The Software is "in-use" on a computer when it is loaded into temporary memory (i.e. RAM) or installed into the storage device of that computer.

You may make a single copy of the Software for backup purposes only.

Old license(s) will be revoked within 60 days after a license upgrade.

The Company reserves the right to change these terms and conditions at any time without prior notice.

- **OWNERSHIP**

Dynamsoft and/or its suppliers retain all right, title and interest in and to the Software and all copies at all times, regardless of the form or media in or on which the original or other copies may subsequently exist. You neither own nor hereby acquire any claim or right of ownership to the Software or to any related patents, copyrights, trademarks or other intellectual property. You agree to retain the Software, the terms of this Agreement as well as any Software benchmark or similar tests (whether performed by you, Dynamsoft or any third party) in confidence and prevent them from unauthorized disclosure or use except with Dynamsoft prior written consent. Dynamsoft and/or its suppliers reserve all rights not expressly granted to you. Dynamsoft suppliers are the intended third- party beneficiaries of this License Agreement and have the express right to rely upon and directly enforce the terms set forth herein.

- **WARRANTIES AND DISCLAIMERS**

THIS SOFTWARE AND THE ACCOMPANYING FILES ARE SOLD "AS IS" WITHOUT WARRANTY OF ANY KIND EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ANY USE BY YOU OF THE SOFTWARE IS AT YOUR OWN RISK.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. UNDER NO CIRCUMSTANCE SHALL DYNAMSOFT BE LIABLE FOR ANY DAMAGES WHATSOEVER ARISING FROM THE USE OR INABILITY TO USE DYNAMSOFT PRODUCTS.
