below, provided the distribution
package is not modified. No person or company may charge a fee for the distribution of
FastQueryBuilder without written permission from the copyright holder. The FastQueryBuilder
unregistered trial version may not be bundled or distributed with any other package without written
permission of the copyright holder.

Kinds of register is listed in README.TXT.

REGISTER THIS SOFTWARE LICENSE GIVES YOU THE RIGHT TO:

1. Install and use the Software for the sole purposes of designing, developing, testing, and deploying
application programs which you create. You may install a copy of the Software on a computer and
freely move the Software from one computer to another, provided that you are the only individual
using the Software. If you are an entity, you must designate one individual within your organization
("Named User") to have the right to use the Software.

2. Make one copy of the Software for backup or archival purposes or copy the Software to a single
permanent storage medium provided you keep the original solely for backup or archival purposes.

3. Technical support and notifications on those new versions FastQueryBuilder, which can upgrade
with no additional payment.

4. The registered FastQueryBuilder software may not be rented or leased, but may be permanently
transferred, if the person receiving it agrees to terms of this license. If the software is an update, the
transfer must include the update and all previous versions.

5. It is not provided any additional license deductions, except for cost of the registration, connected
with creation and distribution of applications. The registered users, can useFastQueryBuilder
as "Royalty free". It means, that they freely may distribute the programs using FastQueryBuilder if it

does not contradict conditions of this license agreement. Any sanctions to that on from the author is not required.

ENGAGING IN ANY OF THE ACTIVITIES LISTED BELOW WILL TERMINATE THE SOFTWARE LICENSE. IN ADDITION TO SOFTWARE LICENSE TERMINATION, FASTREPORT SOFTWARE MAY PURSUE CRIMINAL, CIVIL, OR ANY OTHER AVAILABLE REMEDIES.

1. Distribution of any files contained in this software package, other than the runtime packages explicitly listed above, including but not limited to .PAS, .DFM, .DCU files, .DCP files, and design-time packages.

2. Modification, decompilation, disassembly, reverse engineering or translation of the Software.

3. Removal of proprietary notices, labels or marks from the Software or Software Documentation.

4. Creation of an application that does not differ materially from the Software.

5. Creation of an application (whether it be freeware, shareware or a commercial product) which competes directly or indirectly with the Software.

AGREEMENT PERTAINING TO THE RELEASE OF SOURCE CODE by Fast Reports to Recipient:

USE OF SOURCE CODE

Recipient will not utilize the source for the creation of software (whether it be freeware, shareware or a commercial product) which competes directly or indirectly with FastQueryBuilder. In addition, Recipient will not disclose the source itself, nor the implementations discovered therein, to any party involved in the creation of software which competes directly or indirectly with FastQueryBuilder.

DISTRIBUTION OF SOURCE CODE
Recipient will not distribute the source. Specifically this includes all .dcu, .dfm, and .pas files which Fast Reports has provided.

CHANGES TO SOURCE CODE
Fast Reports reserves the right to change any part of the source in future versions of the product. These changes may include the removal of classes, properties and methods or the creation of new classes, properties and methods.

TECHNICAL SUPPORT FOR SOURCE CODE
Fast Reports will not provide support for changes Recipient makes to the source. Recipient assumes full responsibility for supporting any code or application which results from such modification. Recipient will not hold Fast Reports liable, directly or indirectly, for any changes made to the source, including changes which Recipient has made based on advice or suggestions provided by Fast Reports.

SOURCE IS PROVIDED AS IS FastQueryBuilder IS DISTRIBUTED "AS IS". NO WARRANTY OF ANY KIND IS EXPRESSED OR IMPLIED. YOU USE AT YOUR OWN RISK. FAST REPORTS WILL NOT BE LIABLE FOR

DATA LOSS, DAMAGES, LOSS OF PROFITS OR ANY OTHER KIND OF LOSS WHILE USING OR MISUSING THIS SOFTWARE

LIMITED WARRANTY/LIMITATION OF RESPONSIBILITY:

Fast Reports may not bear other responsibility, except for stated in this agreement.

In no event will Fast Reports be liable to you for any damages, including without limitation lost profits or revenues, loss of data, business interruption loss, recovery or substitution costs, or claims by third parties, or other indirect incidental or consequential damages, arising out of the use or inability to use the software, even if Fast Reports has been advised of the possibility of such damages. In no case shall Fast Reports' liability exceed the amount of the license fee paid by you for the software.

All rights not expressly granted here are reserved by Fast Reports.

Thank you for using FastQueryBuilder!
