Customer hereby agrees to assign all right, title and interest in and to such modifications, enhancements, Derivative Works and/or extensions that may be made to the licensed Source Code to Froala. Customer shall not distribute any portion of the Licensed Software in Source Code form, or any modification, enhancement, Derivative Work and/or extension thereto, in Source Code form.

Customer shall not otherwise copy or duplicate the Licensed Material. Customer shall not reverse engineer, disassemble, translate, modify, adapt, or decompile the Licensed Material or apply any procedure or process to the Licensed Material in order to ascertain, derive, and/or appropriate the source code or source listings for the Licensed Software or any trade secret or other proprietary information contained in the Licensed Software.

(f) **Other Services** – All licenses and Maintenance Services purchased by Customer in respect of the Licensed Material shall be governed by this Agreement, together with the applicable Purchase Orders delivered hereunder. Unless otherwise agreed by the parties in writing, all other services purchased by Customer in respect of the Licensed Software, if any, including implementation services, training services and professional services (collectively, "Ancillary Services"), shall be governed solely by a separate written mutually acceptable services agreement entered into by the parties or, in the absence of such agreement, Froala' standard professional services agreement,

and acceptance of the Licensed Material shall not be contingent upon Customer's acceptance of any such Ancillary Services.

3. DELIVERY AND PAYMENT TERMS –

(a) **Delivery** – All Licensed Material shall be delivered by Froala to Customer via electronic delivery using a secure internet download site. Ownership of all licenses purchased hereunder and risk of loss for the related Licensed Materials shall be deemed to have passed to Customer once Froala has made the Licensed Material available for download by Customer, notified Customer of the availability of the Licensed Material for download and provided Customer with License Keys necessary for the installation and operation of the Licensed Software.

Customer shall pay all license fees and Maintenance Services fees specified therein within thirty (30) days of Customer's receipt of such invoice. In the event that Customer elects to pay any fees due hereunder with a credit card, (i) Customer is required to provide Froala via Sencha with a valid form of credit card payment and to keep all such credit card information current and accurate in respect of all renewal fees, (ii) Customer shall promptly notify Froala if its credit card has changed or has been declined and (iii) Customer hereby consents to Froala, through its affiliate and authorized reseller, Sencha, automatically processing and charging all fees due by Customer hereunder, including all renewal subscription fees, to the credit card submitted by Customer. All fees payable by Customer in respect of such Ancillary Services may be separately invoiced. Customer's payment obligation with respect to all license fees and Maintenance Services fees owing hereunder shall be independent of the provision of Ancillary Services, whether or not such Ancillary Services are separately invoiced. Any late payment of any amount owing hereunder shall accrue interest at a rate equal to the lesser of (i) 15% per annum and (ii) the maximum rate permitted by law.

(c) **Taxes** – All payments referred to in this Agreement are exclusive of value added tax, sales tax and any other applicable taxes, duties or imposts which (with the exception only of those based on Froala' income) shall also be payable by Customer in accordance with applicable law.

4. **MAINTENANCE** – Froala does not warrant that the Licensed Software will operate error-free or may be used error-free. Upon Customer's payment of the Maintenance Services fees associated with the Maintenance Term purchased by Customer for the Licensed Software specified in a Purchase Order, Froala shall provide Maintenance Services in accordance with this Section 4 and in accordance with any additional Maintenance Services terms specified in such Purchase Order.

(a) **Maintenance Agreement** – Froala or its authorized representative will provide Maintenance Services for the Licensed Software during each Maintenance Term. Maintenance Services includes problem determinations, reasonable problem resolutions, provisioning of software program temporary fixes and new releases. Maintenance Services shall also include the additional Maintenance Service terms expressly set forth in writing in the Purchase Order delivered by Customer, which are hereby incorporated herein by reference. Maintenance Services shall entitle Customer to receive, at no additional cost, all Updates.

(b) **Additional Maintenance Term** – Upon expiration of each Maintenance Term, Maintenance Services shall automatically renew for an additional 12-month Maintenance Term and Froala will invoice Customer unless Froala or its authorized representative is notified by Customer in writing at least sixty (60) days prior to the expiration of the current Maintenance Term that Customer will not purchase Maintenance Services for another Maintenance Term.

- (c) **Reinstatement** – If Customer terminates Maintenance Services or elects not to renew Maintenance Services, Customer may, at its option, purchase Maintenance Services within one year of such termination or non-renewal by providing notice to Froala and making payment of Froala' then-current list maintenance fees for the upcoming 365-day period plus an amount equal to 1.5 times the Maintenance Services fees that would have accrued during the period subsequent to such termination or non-renewal, had Customer not terminated or elected not to renew Maintenance Services.

5. PROPRIETARY RIGHTS – Customer shall not acquire, by virtue of this Agreement, any right or license other than as expressly provided herein. Customer shall not reproduce the Licensed Material or other confidential or proprietary information of Froala, except as provided in this Agreement. All proprietary rights in and to the Licensed Material and all Evaluation Software (as defined in Section 16 below), all derivatives, translations, modifications, adaptations, improvements, enhancements or developments thereof and all confidential or proprietary information of Froala, including without limitation, all rights under and with respect to patents, copyrights, trademarks and rights under the trade secret laws of any jurisdiction shall remain the sole property of Froala or its applicable licensor, whether recognized by or perfected under applicable local law. Customer shall promptly notify Froala of any infringement of Froala' proprietary rights of which it becomes aware.

6. LIMITED WARRANTIES

- (a) **Warranty** - Froala warrants to Customer that during the first thirty (30) days after purchase of the Licensed Software (the "Warranty Period") such Licensed Software will perform substantially as described in the accompanying Licensed Documentation. Froala does not warrant that (i) the Licensed Software will satisfy or may be customized to satisfy any of Customer's requirements or any other particular use or (ii) the use of the Licensed Software will be uninterrupted or error-free. Laws from time to time in force may imply warranties that cannot be excluded or can only be excluded to a limited extent. This Agreement shall be read and construed subject to any such statutory provisions.
- (b) **Remedies** – If (i) at any time during a Maintenance Term, the Licensed Software contains Errors which make the Licensed Software unable to perform substantially as described in the accompanying Licensed Documentation or (ii) during the Warranty Period, Froala breaches the warranty set forth in clause (a) above, then Customer shall promptly notify Froala of such Error or breach and Froala shall (A) use all commercially reasonable efforts to correct such Error or breach within thirty (30) days of notification or (B) provide Customer within thirty (30) days of notification with a plan acceptable to Customer for correcting such Error or breach. If such Error or breach is not corrected or if an acceptable plan for correcting such Error or breach is not established within such thirty (30) day period, Froala shall replace the defective Licensed Software or, if not practicable, accept the return of the defective Licensed Software and refund to Customer the amount paid for the defective Licensed Software, less depreciation based on a 3-year straight line schedule. Froala' obligations under this Section 6(b) shall be waived in the event such Error or breach is due to (I) any defect in or misconfiguration of the computer hardware upon which the Licensed Software is installed, (II) improper handling or use of the software media by Customer, or (III) an unauthorized alteration, revision or configuration of the Licensed Software or to Customer's computer system by Customer or its employees. Customer acknowledges that this Section 6(b) sets forth Customer's sole and exclusive remedy, and Froala' and its authorized representatives' sole and exclusive liability, for any breach of warranty, Error or failure of the Licensed Software to function properly.
- (c) **Disclaimer** – **EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, ALL WARRANTIES, REPRESENTATIONS,**

INDEMNITIES AND GUARANTEES WITH RESPECT TO THE LICENSED MATERIAL, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS BY FROALA OR ITS AUTHORIZED REPRESENTATIVES OR OTHERWISE (INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE) ARE HEREBY OVERRIDDEN AND DISCLAIMED.

7. INDEMNITY

- (a) **Indemnity** – Subject to this Section 7 and Section 8 below, Froala agrees to indemnify, defend and hold harmless Customer from and against all claims, damages, losses, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of any claim by a third party asserting that the Licensed Material or any of Customer's use thereof, infringes upon any third party's patent, copyright or trademark, provided that (i) Customer promptly notifies Froala in writing no later than thirty (30) days after Customer's notice of any potential claim, (ii) Customer permits Froala to defend, compromise or settle the claim, and provided further that no settlement intended to bind Customer shall be made without Customer's prior written authorization and (iii) Customer gives Froala all available information, reasonable assistance, and authority to enable Froala to do so.
- (b) **Alternative Remedy** - If a claim described in Paragraph 7(a) may or has been asserted, Customer will permit Froala, at Froala' option and expense, to (i) procure the right to continue using the Licensed Material, (ii) replace or modify the Licensed Material to eliminate the infringement while providing functionally equivalent performance or (iii) accept the return of the Licensed Material and refund to Customer the amount actually paid to Froala or its authorized representative for such Licensed Material, less depreciation based on a 3-year straight-line depreciation schedule.
- (c) **Limitation** - Froala shall have no indemnity obligation to Customer hereunder if the violation or infringement claim results from (i) a correction or modification of the Licensed Material not provided by Froala or its authorized representative, (ii) the failure to promptly install an Update, (iii) the combination of the Licensed Software with other non-Froala software and (iv) continuing the allegedly infringing activity after receiving written notice of such infringement claim from Froala.

8. NO CONSEQUENTIAL DAMAGES - UNDER NO CIRCUMSTANCES WILL FROALA OR ITS AUTHORIZED REPRESENTATIVES BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY OR INCIDENTAL DAMAGES, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON CLAIMS BY CUSTOMER OR ANY THIRD PARTY (INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR LOSS OF DATA, GOODWILL, PROFITS, USE OF MONEY OR USE OF THE LICENSED MATERIAL, INTERRUPTION IN USE OR AVAILABILITY OF DATA, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS), ARISING OUT OF BREACH OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, BREACH OF ANY INTELLECTUAL PROPERTY RIGHT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, EXCEPT ONLY IN THE CASE OF PERSONAL INJURY WHERE AND TO THE EXTENT THAT APPLICABLE LAW REQUIRES SUCH LIABILITY. IN NO EVENT WILL THE AGGREGATE LIABILITY INCURRED IN ANY ACTION OR PROCEEDING BY FROALA OR ITS AUTHORIZED REPRESENTATIVE EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY CUSTOMER FOR THE SPECIFIC LICENSED SOFTWARE THAT DIRECTLY CAUSED THE DAMAGE.

9. CONFIDENTIALITY

- (a) **Confidentiality.** – Customer acknowledges that the Licensed Materials incorporate confidential and proprietary information

developed or acquired by or licensed to Froala and that all results of testing of the Licensed Software, whether performed by Customer or another third party, are confidential. In no event will Customer publish or disclose the results of any testing or performance specifications of the Licensed Software without Froala's express prior written consent. A party that receives Confidential Information (the "Receiving Party") from the other party (the "Disclosing Party") shall not: (i) export or re-export (within the meaning of US laws or other export control laws or regulations) any Confidential Information, except in strict compliance with US laws; (ii) reverse engineer any Confidential Information; or (iii) disclose or make available the Disclosing Party's Confidential Information to any of the Receiving Party's employees, agents, contractors or consultants or to any third parties, except those that have agreed in writing to be bound by terms and conditions substantially similar to, and no less restrictive with respect to limitations on use and disclosure, than those contained in this Agreement and each of which have a "need to know" in order to carry out the purposes set forth in this Agreement. Each party shall take all reasonable precautions necessary to safeguard the confidentiality of all Confidential Information disclosed by the other party, including those precautions (A) taken by the disclosing party to protect its own Confidential Information and (B) which the disclosing party or its authorized representative may reasonably request from time to time. Neither party shall allow the removal or defacement of any confidentiality or proprietary notice placed on the Confidential Information disclosed by the disclosing party. The placement of copyright notices on Confidential Information shall not constitute publication or otherwise impair their confidential nature of such information.

- (b) **Disclosure** - If an unauthorized use or disclosure of the disclosing party's Confidential Information occurs within the recipient party's enterprise, the recipient party will immediately notify the disclosing party or its authorized representative and take, at recipient party's expense, all steps which may be available to recover such Confidential Information and to prevent its subsequent unauthorized use or dissemination.

10. TERMINATION – Upon prior written notice to Froala, Customer may terminate this Agreement without any right to refund, except as otherwise expressly set forth in this Agreement. If Customer or any of Customer's employees, consultants, authorized representatives or permitted third parties breach any term or condition of this Agreement, Froala may terminate this Agreement, without judicial or administrative resolution or obligation to refund. This Agreement will terminate automatically if Customer ceases to do business, becomes insolvent, goes or is put into receivership or liquidation, passes a resolution for its winding up (other than for the purpose of reconstruction or amalgamation) or for any of the foregoing, makes an arrangement for the benefit of its creditors, enters into bankruptcy, suspension of payments, moratorium, reorganization or any other proceeding that relates to insolvency or protection of creditors' rights or takes or suffers any similar action in consequence of debt. Upon the termination of this Agreement for any reason, all rights granted to Customer hereunder will cease, and Customer will promptly (i) purge the Licensed Software and any related Updates from all of Customer's computer systems, storage media and other files, (ii) destroy the Licensed Material and all copies thereof and (iii) deliver to Froala an affidavit certifying that Customer has complied with these termination obligations. The provision of Sections 1, 3, 8 through 12, 14, 15 and 17 shall survive the termination of this Agreement.

11. U.S. EXPORT RESTRICTIONS – Customer acknowledges that the Licensed Materials and all related technical information, documents and materials are subject to export controls under the U.S. Export Administration Regulations. Customer covenants and agrees to comply with all import and export control regulations of the United States with respect to the Licensed Material. (currently, Cuba, Iran, North Korea, Sudan and Syria), including any future changes to the government's list of T-5 countries.

12. EQUITABLE RELIEF – The parties recognize that Sections 5, 9, 11 and 13 are necessary for the protection of the business and goodwill of the parties and are considered by the parties to be reasonable for such purpose. The parties agree that any breach of such Sections would cause the other party substantial and irreparable damage and therefore, in the event of any such breach, in addition to other remedies which may be available, the non-breaching party shall have the right to seek specific performance and other injunctive and equitable relief in a court of law.

13. LICENSE KEY & USE REPORTING – Customer acknowledges that a security code owned and controlled by Froala or its subsidiaries (the "License Key") is required to render the Licensed Software operational on Customer's computer hardware. Upon use of a permanent License Key to install the Licensed Software on Customer's computer hardware, no other security code will be required for the Licensed Material to operate on such computer hardware in accordance with the terms and restrictions contained in this Agreement. Customer shall not attempt to crack, alter or otherwise derive the License Key. Froala shall promptly provide Customer with all necessary License Keys upon purchase of the Licensed Software or upon any authorized transfer of the Licensed Software to any other hardware equipment permitted under Section 2 of this Agreement. Froala reserves the right to gather data on license usage by Customer for each item of Licensed Software, including License Key numbers, server IP addresses, email addresses of users, domain counts and other information deemed relevant, to ensure that the Licensed Software is being used in accordance with the terms of this Agreement. Froala expressly prohibits domain count overrides without prior written approval. Customer hereby consents to Froala gathering and processing such usage information and agrees not to block, electronically or otherwise, the transmission of data required for compliance with this Agreement. Any unauthorized use of the Licensed Software by Customer or other use by Customer in violation of the restrictions contained herein shall be deemed a material breach of this Agreement. In addition to the foregoing, within ten (10) business days of Customer's receipt of Froala's written request, Customer shall provide to Froala a written report certifying to Froala the number of licenses for Licensed Software installed, used or accessed by Customer, the identity of the applicable servers, hardware or computers upon which such licenses are installed and, to the extent applicable, the installation location and location and number of users accessing such licenses, together with such other information as may be requested by Froala and necessary to confirm Customer's compliance with the terms of this Agreement. The auditing, reporting and certification rights and obligations set forth in this Section 13 shall survive termination of this Agreement for a period of eighteen months.

14. ENFORCEABILITY – If for any reason a court of competent jurisdiction finds any provision of this Agreement, or portion thereof, to be unenforceable, void, invalid or illegal, that provision shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement shall continue in full force and effect.

15. ENTIRE AGREEMENT

Subject to clause (b) below, this Agreement may not be amended, modified, supplemented or altered except by a written agreement that is signed by both parties.

- (b) **UNDER NO CIRCUMSTANCES MAY THE TERMS OF THIS AGREEMENT OR ANY FROALA PURCHASE ORDER BE**
