Some jurisdictions do not allow the exclusion or limitation of implied warranties, so the above exclusions might not apply to you.

11. Limitation of Liabilities

InfoSoft's liability, whether in contract, tort, or otherwise, arising out of Licensee's use of, or in connection with, the SOFTWARE, or otherwise under this Agreement, shall not exceed the amount of the license fee paid by you to InfoSoft. IN NO EVENT SHALL INFOSOFT OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF INFOSOFT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

12. Third party Components

The Software includes third party components licensed by InfoSoft for purpose of embedding within the Software. InfoSoft has reviewed, acquired and conformed to licenses of all such third party components, thereby not requiring you to separately acquire the same. The terms of such license will apply in lieu of the terms of this Agreement, and InfoSoft hereby represents and warrants that the license granted to such Components will be no less broad than the license granted in this Agreement. The Components are provided "as is" by the third party licensors who disclaim all liabilities, damages, (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the components. The components are excluded from any indemnity provided

by InfoSoft in this license. Nothing in the foregoing affects any performance warranty provided by InfoSoft with regard to the Software as a whole.

A list of included Components and their respective licenses shall be provided upon request.

(a) Relationship of Parties. The parties are independent contractors, and not agents, employees or joint venturers of one another, and do not have any authority to bind the other party by contract or otherwise to any obligation. (b) Governing Law. This Agreement will be governed by the law of the State of California, U.S.A., without regard to the conflict of laws principles thereof. The Uniform Computer Information Transactions Act and the United Nations Convention on the International Sale of Goods shall not apply to this Agreement. If any provision of this Agreement is to be held unenforceable, such holding will not affect the validity of the other provisions hereof. Failure of a party to enforce any provision of this Agreement shall not constitute or be construed as a waiver of such provision or of the right to enforce such provision.

(c) Compliance with Export Laws. Each party shall comply with the laws. Neither party shall export or re-export directly or indirectly (including via remote access) any part of the Collabion Software to any country for which a license is required under the Export Laws without first obtaining a license.

(d) Trademark Usage and Publicity. InfoSoft may use Licensee's name and logos in its marketing, promotion and website, as is reasonably necessary to describe and promote Collabion Software. If the Licensee does not approve of InfoSoft's usage of Licensee's name and logos, it can convey to InfoSoft in writing, and InfoSoft will take the necessary steps to remove any such mentions.

(e) Complete Agreement. This Agreement, including all Exhibits, constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes and replaces all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter. No amendment to or modification of this Agreement will be binding unless in writing and signed by a duly authorized representative of both parties.

14. Upgrades & Updates

You are eligible to receive all Major Upgrades and Minor Updates for the Software that you license hereunder, as long as you have an active license for the product. In case of Annual license model, an active license entails yearly payment of the annual fees for each WFE server licensed. In case of Perpetual license mode, active license entails payment of support & upgrades subscription, commencing from second year of purchase.

Updates replace and/or supplement (and may disable) the version of the Software that formed the basis for your eligibility for the Update. You may use the resulting updated Software only in accordance with the terms of this License.

15. Support

InfoSoft offers two types of support:

(a) Self-serve Support: This support is available online on Collabion website (www.collabion.com) and includes articles, tips and documentation on how to use Collabion Software.
