C. Paid Services

C.1. Billing Policies. Certain aspects of the Service may be provided for a fee or other charge. If you elect to use paid aspects of the Service, you agree to the pricing and payment terms, as we may

update them from time to time. Hyperskill may add new services for additional fees and charges, or amend fees and charges for existing services, at any time in its sole discretion. Any change to our pricing or payment terms shall become effective in the billing cycle following notice of such change to you as provided in this Agreement or otherwise.

C.2. Automatic Renewal. Hyperskill subscriptions renew automatically using the payment details on file for your account. If you purchase a subscription with automatic renewal, you acknowledge and agree that we are authorized to use the payment information on file for the renewal fee. Until you cancel, your subscription will renew monthly or annually on the same day of the month or year, respectively, as the date you made your initial purchase and the payment information on file will be billed for the then-current subscription fee. This purchase date will be included on your subscription confirmation receipt that will be emailed to you at the email you provide. You may cancel your account at any time, this will stop future subscription charges from accruing to your account.

C.3. No Refunds. You may cancel your Hyperskill account at any time; however, there are no partial or pro-rata refunds for cancellation. If you cancel your subscription, cancellation will be effective at the end of the current monthly or annual billing period; you will have continued access to your subscription for the remainder of that period, but you will not receive a refund. Hyperskill may offer partial, pro rata refunds for Hyperskill's early suspension, termination, or cancellation of a paid program, where the pricing and payment terms for the specific Hyperskill plan expressly state that such refunds are available in such scenarios and/or as required by law. In the event that you cancel your account or Hyperskill suspends or terminates your account under this Agreement for your breach of this Agreement, you understand and agree that you shall receive no refund or exchange for any Hyperskill Indicators, any unused time on a subscription, any license or subscription fees for any portion of the Service, any content or data associated with your account, or for anything else.

C.4. Free Trials. Hyperskill may offer a free trial of our Service to new and eligible returning subscribers, subject to specific terms explained during your free trial sign-up. To avoid being charged during a free trial promotion, you must cancel your subscription before your free trial ends. You can view the details of your free trial on your Hyperskill Subscription page. Hyperskill reserves the right to determine eligibility for free trials, which may vary based on factors including the subscription selected and how recently you redeemed a free trial. Certain limitations may also exist with respect to combining free trials with any other offers. If you do not cancel prior to the end of your free trial period, the payment method provided at sign-up will be automatically billed for the applicable subscription fee. If you wish to avoid charges to the payment information that you have on file, you must cancel your subscription prior to the end of your free trial. You may cancel your subscription at any time as described in the "Cancellations" section of these Terms.

C.5. Cancellations. You can cancel your subscription at any time by logging into your Hyperskill account on the Hyperskill site and following the instructions on the Subscription page. You must cancel your subscription prior to your next recurring billing date in order to avoid being charged. If you cancel your subscription, you will continue to have access to the Service through the end of your current billing period, but will not receive a refund. Cancelling your subscription will not completely delete your account from our Service. You may choose to delete your account, but you will not be able to recover data from your former account at a later date if you do so.

C.6. Payment Information and Taxes. All information that you provide in connection with a purchase or transaction or other monetary transaction interaction with the Service must be accurate,

complete, and current. You agree to pay all charges incurred by users of your credit card, debit card, or other payment method used in connection with a purchase or transaction or other monetary transaction interaction with the Service at the prices in effect when such charges are incurred. You will pay any applicable taxes relating to any such purchases, transactions or other monetary transaction interactions.

D. Cancellation and Termination

D.1. You are solely responsible for properly canceling your Account. You can cancel your Account at any time by writing an email request to bye@hyperskill.org from your Account email address.

Terminating your Account in this way will automatically terminate the agreement between you and Hyperskill based on these Terms, save for clauses of the Terms which should survive its termination.

D.2. Your personal data will be deleted from the Service upon Account cancellation and you will lose access to the Content. This information can not be recovered once your Account is canceled.

D.3. If you cancel the Service before the end of your current paid up month, your cancellation will take effect immediately and you will not be charged again.

D.4. Hyperskill, in its sole discretion, has the right to suspend or terminate your Account and refuse any and all current or future use of the Service or Application, or any other Hyperskill service, for any reason at any time. Such termination of the Service will result in the deactivation or deletion of your Account or your access to your Account, and the forfeiture and relinquishment of all Content in your Account. Hyperskill reserves the right to refuse service to anyone for any reason at any time.

E. Modifications to the Service and Prices

E.1. Hyperskill reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Site, the Service or the Applications (or any parts thereof) with or without notice.

Any new features that augment or enhance the current Service, Site or Applications, including the release of new tools and resources, shall be subject to the Terms. Continued use of the Service, Site and Applications after any such changes shall constitute your consent to such changes. You can review the most current version of the Terms at any time at <https://hi.hyperskill.org/terms>.
