

Master Packager Dev Privacy and Terms of Service

Privacy and Terms of Service

The Privacy and terms you agree to by using Master Packager applications and services.

Introduction

This Privacy and Terms of Service (“Privacy and Terms of Service”) govern your access to and use of Master Packager Ltd. (the “Company,” “us,” “we,” and “our”) software and services including the Master Packager Dev and any other software, services, features, products, content, applications and training offered by us from time to time (collectively the “Services”) identified in one or more agreements made available by us from time to time (each an “Access Agreement” and collectively, the “Access Agreements”).

Acceptance

By using or accessing the Services or Master Packager Dev, you accept and agree to be bound by (i) this Privacy and Terms of Service, (ii) all Access Agreements to which you are party, which are hereby incorporated herein by reference which is incorporated herein by reference (collectively referred to as the “Agreement”).

This Agreement constitutes a binding agreement between the Customer (“Customer,” “you,” and “your”) and the Company. This Agreement represents the parties’ entire understanding regarding the Services and shall govern over any prior oral or written agreement or discussions or different or additional terms or conditions of any purchase order, invoice or other non-Company ordering document. No other terms or conditions of any purchase order, invoice or other non-Company ordering document shall apply to the Services.

Changes to the Agreements

Occasionally we may, in our discretion, make changes to the Agreements. When we make material changes to the Agreements, we’ll provide you with prominent notice as appropriate under the circumstances, e.g. by sending you an email. If you don’t wish to continue using our Services under the new version of the Agreements, you may terminate the Agreements by emailing us at info@masterpackager.com.

Ownership

Master Packager Dev and its source code are proprietary products of Master Packager Ltd. and are protected by copyright and other intellectual property laws. Master Packager Dev Software is licensed and not sold. You acquire only the right to use the Software and do not acquire any rights expressed or implied, in the Software other than those specified in this Agreement.

About the Software

MASTER PACKAGER DEV is a Software developed by Master Packager Ltd to help developers build Windows OS application installation files and packages.

License

Subject to your compliance with this Agreement and your payment of any applicable fees, the Company grants you a non-transferable, non-exclusive, worldwide right to access and use the purchased Services in accordance with the terms set out in this Agreement (the "License").

The License is granted on a per-organization basis. A License may be used on multiple computers and operating systems, provided that only the proper registered organization of such License accesses or makes use of the applicable Services.

Licenses are non-transferable and may not be distributed, sold, rented, leased or otherwise assigned or transferred to any third party(ies).

Master Packager Dev license

A. Personal Use. A License permits the use of Master Packager Dev for free for your own, private, non-commercial purposes ("Personal Use"). For the avoidance of doubt, the use of Maser Packager Dev for the exercise of your own trade or profession for which you are compensated compensation (e.g. building application packages and installers to profit from, or .) does not qualify as Personal Use.

B. Not For Profit Use. A License permits the use of Master Packager Dev for free by registered charitable and not-for-profit organizations; provided, that such use is not in connection with non-personal Use by any other Person. This also includes open-source projects.

C. Commercial Use. In all other circumstances, a License permits the use of Master Packager Dev only after payment of all associated fees with respect to each organization of Master Packager Dev; provided, that the fees associated with a License are not required for a period of no more than fourteen (14) days for testing and evaluation purposes only. License is subscription-based, meaning that after the purchased subscription period is ended you can no longer use the software.

Commercial Use has two license types Pro and Enterprise where Enterprise license type must be purchased for organizations with more than 150 PCs or more than \$1 million (or equivalent in other currencies) in annual revenue.

Master Packager subscription plans include different license types and features. For a full updated list please visit <https://masterpackager.com/pricing#masterpackagerdev>

Fees and Payment

Fees

You agree to pay all fees set out in an Access Agreement. All fees are non-cancellable and non-refundable and are based on Services purchased and not actual usage. Unless otherwise agreed

between you and us, charges may be paid by credit card, electronic funds transfer or bank/wire transfer. For the avoidance of doubt, you shall not be entitled to any refund in the event of unused Services.

Taxes

All Fees and other amounts payable by Customer under this Agreement are exclusive of taxes and similar assessments. Customer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Customer hereunder, other than any taxes imposed on Company income. To the extent that the Company is required by law to pay any such taxes, duties, or other charges to any governmental or regulatory authority, the Company may invoice the Customer for such taxes, duties, or other charges and the Customer will pay such invoiced amounts in accordance with this Agreement.

Payment Terms

Unless otherwise set out in the Access Agreement, Service fees are payable at the time of entrance into an Access Agreement.

Suspension Rights

We reserve the right to immediately terminate the Services if: (i) the billing or contact information provided by you is false or fraudulent; or (ii) you fail to make any payment due within ten business days after we have provided you with notice of such failure. Any suspension of the Services by us under this section shall not relieve you of your payment obligations under this Agreement. We will not be liable to you nor to any third party for any suspension of the Services resulting from your non-payment of fees.

Payment

Bank/Wire transfer

By choosing the invoice payment method you will receive an advance invoice to be paid prior to license assigning. After the advance invoice is paid and we have received the payment, we will assign a license during the next 24 business hours. You will receive a confirmation email. Advance and Tax invoices will be available in the Master Packager website account.

Card

By choosing the Card payment method you'll be able to pay using a credit card. After the payment is done, license(s) will be automatically assigned to you.

All license costs are indicated on the invoice and must be paid with all applicable taxes included.

All Invoices and purchased licenses are available under your Master Packager website account at any time or you can reach out to info@masterpackager.com for us to send you invoices personally.
