

This is a Contract concluded between yourself and

MULTIMEDIA SOLUTIONS

(Site Technologique de Marticot - 33610 CESTAS - France - <http://www.lug.com>)

By installing the Software " Windex", you mark your acceptance to be bound by all the clauses and conditions of this Contract.

This Contract is a licence agreement, and not a sale contract.

Multimedia SOLUTIONS remains owner of this copy of the Software Windex and of all other copies which this Contract authorizes you to carry out. As soon as you accept this Contract, Multimedia SOLUTIONS grants an not-exclusive licence to you to use the Software, provided that you accept what follows :

LICENSE OF USE

The license granted by Multimedia SOLUTIONS gives to the user the right of physical installation of the software "Windex" on only one computer. The installation on other computers requires the purchase of complementary licenses.

This license permit to indexe documents only stored on the computer hard disk.

It is a single-user version.

Windex can be used only on the machine on which it is installed.

The license holder can carry out indexing only for his own needs.

This license allows the user to index documents and distribute the search engine Windex (Applet WindexA) :

- on CD-ROMs (no royalties until 1000 copy. Beyond 1000 copy, you have to contact us for a specific license)
- in a web site
- on Intranet
- on an interactive kiosk.

UNDER-LICENSE OF USE of Windex

The license owner will be able to use the software package Windex only for his own needs; he is not allowed to grant under-licenses of Windex without prior agreement and written of Multimedia SOLUTIONS. He will not concede, even free, the right to use to a third party. The license is not in any case transferable without the authorization of Multimedia SOLUTIONS.

LIMITATION OF THE RESPONSIBILITIES

Multimedia SOLUTIONS is not in any case responsible for the material losses or moral for consequential damages or all financial and commercial damages (for example losses of benefit or discounted economies), whatever is the cause, even when Multimedia SOLUTIONS has been informed of the possibility of such damage.

Multimedia SOLUTIONS will not be responsible:

- 1) neither of the loss of your files, recordings or data or of the damage which they could undergo,
- 2) nor of the damage which would result from any complaint or action directed against you by a third party. Certain legislations not authorizing the exclusion or the limits of responsibility for the direct or indirect damage, it is possible that the limitation or exclusion above is not applicable to you.

The license owner avoids to adapt, modify, deteriorate or revise the software package, in any form , without the agreement of Multimedia SOLUTIONS

DECOMPILATION

You should not modify, adapt, translate, make opposite engineering, decompile, disassemble the Software or try to discover his source code, and the reproduction of the software code or the translation of the form of this code is prohibited. This Contract does not grant any right of intellectual property to you on the Software " Windex".

INTELLECTUAL PROPERTY

The software Windex conceded or any copy will be the exclusive property of Multimedia SOLUTIONS which affixes its mark there and reserves the quality of author in accordance with the law of July 3, 1985. The Applet " WindexA " (search engine) will have to display the logo of Multimedia SOLUTIONS (on the answers window).

The license owner will use the software Windex without being able to yield it, concede it, reveal it with thirds party, to adapt it or modify it without the express agreement of Multimedia SOLUTIONS.

The software Windex form part of the manufacture secret of Multimedia SOLUTION and must be consider by the license owner as a confidential information, protect by the copyright.

CONFIDENTIALITE

The license owner avoids using the specifications of Windex conceded to create or allow creations of a similar program.

If the license owner transgressed the rule of not-disclosure, it would be pecuniarily responsible for the loss of earnings Multimedia SOLUTIONS.
