### 1. Software License

**1.1 License Grant.** Subject to the terms and conditions set forth in this Agreement, Progress hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, sublicenseable (solely as set forth in Section 1.3), non-exclusive license (the “License”) to use the Progress computer software identified as Progress Telerik UI for Silverlight and any updates, upgrades, modifications and error corrections thereto provided to Licensee (the “Programs”) and any accompanying documentation (the “Documentation”, together with the Programs, collectively the “Software”) solely as specified in this Agreement. You are granted either a Trial License pursuant to Section 1.4 or a Developer License with Updates and Support pursuant to Section 1.5. Which version of the License applies (i.e., Trial License or Developer License with Updates and Support) is determined at the time of the License purchase.

For purposes of this Agreement:

“Integrated Products” means Your proprietary software applications which: (i) are developed by Your Licensed Developers; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Programs; and (iii) are not commercial alternatives for, or competitive in the marketplace with, the Software or any components of the Software.

“Licensed Developers” means Your employees or third-party contractors authorized to develop software specifically for You using the Software in accordance with this Agreement.

**1.2 Scope of Use.** The Software is licensed, not sold, on a per-seat basis. The number of Licensed Developers using the Software must correspond to the maximum number of License seats You have purchased from Progress hereunder. This means that, at any given time, the number of Licensed Developers cannot exceed the number of License seats that You have purchased from Progress and for which You have paid Progress all applicable License Fees pursuant to this Agreement. The Software is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device). Your Licensed Developers may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time by more Licensed Developers than You have License seats. You are not limited by the number of License seats with respect to how many individuals within Your organization may access and use the Software for testing and building purposes. You may also embed copies of the Programs in Your Integrated Products that You license and distribute to Your own end-user licensees, including but not limited to, Your employees (“Authorized End-Users”), solely in accordance with the requirements set forth in Section 1.3 below.

### **1.3 License for Redistribution**

Notwithstanding subsection 1.3.1(iii), if the only Authorized End-Users of Your Integrated Product are Your employees and such use is internal and solely for Your benefit, You are not required to utilize an end user license agreement or terms of use. In no event are You allowed to distribute the Software or sublicense its use (a) in any format other than in object form, (b) as a standalone product, or (c) as a part of any product other than Your Integrated Product.

**1.3.2** The foregoing license to redistribute the Programs is conditioned upon the following:

**1.3.2.1** You hereby acknowledge and agree that You are solely responsible for Your Authorized End-User's use of the Programs in accordance with the limitations set forth in subsection 1.3.1 (iii) and liable for such Authorized End-User's breach of such limitations

**1.3.2.2** You must ensure that the Software is not distributed in any form that allows it to be reused by any application other than Your Integrated Product. In addition to the distribution limitations herein, You agree to comply with the technical guidelines provided at: <http://www.telerik.com/purchase/license-agreement/assembly-protection-guidelines.aspx>. Please contact [support@telerik.com](mailto:support@telerik.com) for any additional questions. For use of the Software in design-time (i.e. within a development environment such as Microsoft Visual Studio) Your Authorized End-Users need to purchase Developer Licenses from Progress.

**1.3.2.3** You must prohibit Your Authorized End-Users from using the Software independently from Your Integrated Products, or from decompiling, reverse engineering or otherwise seeking to discover the source code of the Programs.

**1.3.2.4** You must include a valid copyright message in Your Integrated Products in a location viewable by Authorized End-Users (e.g. "About" box) that will serve to protect Progress' copyright and other intellectual property rights in the Software.
