The Special Notices include important licensing and warranty information and disclaimers. Unless otherwise expressly stated for a given third-party component, all such third-party components may be used solely in connection with the use of the Product subject to and in accordance with the terms and conditions of this EULA and the Special Notices. In the event of conflict between the Special Notices and the other portions of this EULA, the Special Notices will take precedence (but solely with respect to the third-party component(s) to which the Special Notice relates).

1.2.8. Order of Precedence between EULA and Order. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that we must pay on such fees, except those based on our income. Invoices may be issued by our Affiliate. If you and we agree that you will pay by credit card, you will provide us with valid and updated credit card information and you authorize us to store such information and bill such credit card for all fees applicable: (a) at the time that you order the Product and (b) at the time of any renewal or upgrade.

1.9.2. Product Compliance with Documentation. We warrant to you that, for six (6) months from delivery (in the case of an On-Premise Product) or for the duration of the license (in the case of a Hosted Service), the Product will comply with the applicable Documentation in all material respects. Your exclusive remedy, and our sole liability, with respect to any breach of this warranty will be for us to use commercially reasonable efforts to promptly correct the non-compliance (provided that you notify us in writing within the warranty period and allow us a reasonable cure period). If we, at our

discretion, reasonably determine that correction is not economically or technically feasible, we may terminate your license to the Product and provide you a full refund of the fees paid to us with respect to the Product (in the case of an On-Premise Product) or a refund of the prepaid fees for the unused portion of the license period (in the case of a Hosted Service). Delivery of additional copies of, or Updates to, the Product will not restart or otherwise affect the warranty period.

1.9.3. Warranty Exclusions. The warranty specified in section 1.9.2 (Product Compliance with Documentation) does not cover any Product provided on an unpaid evaluation or trial basis, or defects to the Product due to accident, abuse, service, alteration, modification or improper installation or configuration by you, your Affiliates, your or their personnel or any third party not engaged by us.

1.9.4. Warranty Disclaimers. EXCEPT FOR THE WARRANTIES EXPRESSLY STATED IN THIS SECTION 1.9 OR THE ADDITIONAL WARRANTIES (IF ANY) EXPRESSLY STATED IN SECTION 3 (PRODUCT FAMILY SPECIFIC TERMS) OR SECTION 4 (PRODUCT SPECIFIC TERMS), THE PRODUCT, DOCUMENTATION AND OUR TECHNOLOGY ARE PROVIDED “AS IS”, WITH ALL FAULTS, AND WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NONINFRINGEMENT, AVAILABILITY, ERROR-FREE OR UNINTERRUPTED OPERATION, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. TO THE EXTENT THAT WE MAY NOT AS A MATTER OF APPLICABLE LAW DISCLAIM ANY IMPLIED WARRANTY, THE SCOPE AND DURATION OF SUCH WARRANTY WILL BE THE MINIMUM PERMITTED UNDER APPLICABLE LAW.

1.10. Indemnification.

1.10.1. Our Indemnification Obligation.

1.10.1.1. Intellectual Property Infringement. We will defend you, and your officers, directors, employees, and agents from and against any and all third party claims, lawsuits, and proceedings alleging that your use of the Product, in accordance with the terms and conditions of this EULA, constitutes a direct infringement or misappropriation of such third party’s patent, copyright or trade secret rights (the “IP Claim”), and we will indemnify you for damages finally awarded against you by a court of competent jurisdiction with respect to the IP Claim.

1.10.1.2. Exceptions. We will not indemnify you to the extent that the alleged infringement or misappropriation results from (a) use of the Product in combination with any other software or item not supplied by us; (b) failure to promptly implement an Update provided by us pursuant to 1.10.1.3 (Our Options); (c) modification of the Product not made or provided by us; or (d) use of the Product in a manner not permitted by this EULA. We also will not indemnify you if we notify you of our decision to terminate this EULA, and the license to the Product granted hereunder, in accordance with section 1.10.1.3 (Our Options) and you have not ceased all use of the Product within thirty (30) days of such notification.

1.10.1.3. Our Options. If a final injunction is, or we reasonably believe that it could be, obtained against your use of the Product, or if in our opinion the Product is likely to become the subject of a successful claim of infringement, we may, at our option and expense, (a) replace or modify the Product so that it becomes non-infringing (provided that the functionality is substantially equivalent), (b) obtain for you a license to continue to use the Product, or (c) if neither (a) nor (b) are reasonably practicable, terminate this EULA on thirty (30) days’ notice and, if the Product was licensed to you on a Perpetual License or Term License basis, refund to you the license fee paid to us for the Product less an amount for depreciation determined on a straight-line five year (or actual term if shorter)

depreciation basis with a commencement date as of the date of delivery of the Product, or if the Product was licensed to you on a Subscription License basis, refund to you the unused portion of the fees paid in advance to us for the then-current subscription period for the Product. THE INDEMNIFICATION PROVISIONS SET OUT IN THIS SECTION 1.10.1 STATE OUR ENTIRE LIABILITY AND YOUR SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY INFRINGEMENT OR ALLEGED INFRINGEMENT BY US OF ANY INTELLECTUAL PROPERTY RIGHTS OR PROPRIETARY RIGHTS IN RESPECT OF THE PRODUCT OR ITS USE.

1.10.2. **Your Indemnification Obligation.**

1.10.2.1. **Indemnification for Third Party-Claims.** To the extent permitted by applicable law, you will defend us and our Affiliates, and our and their respective officers, directors, employees, and agents from and against any and all third party claims, lawsuits, and proceedings that arise or result from (a) your breach of this EULA, (b) your use, distribution and/or licensing of the Redistributables, if applicable, except to the extent it arises from an IP Claim covered under section 1.10.1 above, or (c) your failure or alleged failure to comply with Applicable Laws or any violation of a third party's rights in connection with your use of the Product (each a "**Third-Party Claim**" and collectively "**Third-Party Claims**") and you will indemnify for damages finally awarded by a court of competent jurisdiction with respect to any Third-Party Claim.

1.10.3. **Control of the Defense or Settlement.** For any indemnification obligation covered in section 1.10.1, "**Indemnifying Party**" means us, "**Indemnified Party**" means you, and "**Claim**" means an IP Claim. For any indemnification obligation covered in section 1.10.2, "**Indemnifying Party**" means you, "**Indemnified Party**" means us, and "**Claim**" means a Third-Party Claim. The Indemnified Party must provide the Indemnifying Party with prompt written notice of a Claim; however, the Indemnified Party's failure to provide or delay in providing such notice will not relieve the Indemnifying Party of its obligations under this section except to the extent the Indemnifying Party is prejudiced by the Indemnified Party's failure or delay. The Indemnified Party will give the Indemnifying Party full control of the defense and settlement of the Claim as long as such settlement does not include a financial obligation on or admission of liability by the Indemnified Party. If the Indemnified Party does not do so, then the Indemnified Party waives the Indemnifying Party's indemnification obligations under section 1.10.1 or 1.10.2, as applicable. The Indemnified Party will reasonably cooperate in the defense of the Claim and may appear, at its own expense, through counsel reasonably acceptable to the Indemnifying Party.

1.11. Confidentiality.

1.11.1. **Confidentiality Obligations.** Except as otherwise provided herein, each party agrees to retain in confidence all information and know-how transmitted or disclosed to the other that the disclosing party has identified as being proprietary and/or confidential or should reasonably be understood to be confidential given the nature of the information and the circumstances surrounding its disclosure, and agrees to make no use of such information and know-how except under the terms of this EULA. However, neither party will have an obligation to maintain the confidentiality of information that (a) it received rightfully from a third party without an obligation to maintain such information in confidence; (b) was known to the receiving party prior to its disclosure by the disclosing party; (c) is or becomes a matter of public knowledge through no fault of the receiving party; or (d) is independently developed by the receiving party without use of the confidential information of the disclosing party. Further, either party may disclose confidential information of the other party as required by governmental or judicial order, provided such party gives the other party prompt written notice prior to such disclosure (unless such prior notice is not permitted by applicable law) and

complies with any protective order (or equivalent) imposed on such disclosure. You will treat any source code for the Product as our confidential information and will not disclose, disseminate or distribute such materials to any third party without our prior written permission. Each party's obligations under this section 1.11 will apply during the term of this EULA and for five (5) years following termination of this EULA, provided, however, that (i) obligations with respect to source code will survive forever and (ii) trade secrets will be maintained as such until they fall into the public domain.

1.11.2. Product Benchmark Results. You acknowledge that any benchmark results pertaining to the Product are our confidential information and may not be disclosed or published without our prior written consent. This provision applies regardless of whether the benchmark tests are conducted by you or us.

1.11.3. Remedies for Breach of Confidentiality Obligations . Each party acknowledges that in the event of a breach or threat of breach of this section 1.11, money damages will not be adequate. Therefore, in addition to any other legal or equitable remedies, the non-breaching party will be entitled to seek injunctive or similar equitable relief against such breach or threat of breach without proof of actual injury and without posting of a bond.

1.12. Data Collection and Personal Data.

1.12.1. Data Collection through use of the Product. THE PRODUCT MAY INCLUDE FEATURE(S) THAT (A) GATHER PRODUCT ACTIVATION, USAGE AND/OR ENVIRONMENT INFORMATION, (B) IDENTIFY TRENDS AND/OR BUGS, (C) COLLECT USAGE STATISTICS, AND/OR (D) TRACK OTHER DATA RELATED TO YOUR USE OF THE PRODUCT, AS FURTHER DESCRIBED IN THE CURRENT VERSION OF OUR PRIVACY POLICY AVAILABLE AT <https://www.progress.com/legal/privacy-policy>. BY YOUR ACCEPTANCE OF THE TERMS OF THIS EULA AND/OR USE OF THE PRODUCT, YOU AUTHORIZE THE COLLECTION, USE AND DISCLOSURE OF THIS DATA FOR THE PURPOSES PROVIDED FOR IN THIS EULA AND/OR THE PRIVACY POLICY.

1.12.2. Additional Data Collection Terms. Depending on the Product licensed to you, this EULA may contain additional data collection terms in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms) and/or, if we are hosting the Product, in section 2.B (Terms for Hosted Services).

If you determine that you will be supplying us with your Personal Data (as defined in the Data Processing Addendum referenced below) for us to process on your behalf, in the provision of maintenance and support services or hosting services (if the Product licensed to you is a Hosted Service) or during the course of any audits we conduct pursuant to section 1.14 (Audit), you may submit a written request at privacy@progress.com for the mutual execution of a Data Processing Addendum substantially in the form we make available at <https://www.progress.com/docs/default-source/progress-software/data-processing-addendum.pdf> and we will enter into such Data Processing Addendum with you. To the extent there is any conflict between this EULA and such Data Processing Addendum, the Data Processing Addendum will prevail with respect to our handling and processing of your Personal Data.

1.13.1. Limitation of Liability. Except for a party's indemnification obligations set OUT in this EULA OR A PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS PURSUANT TO SECTION 1.11 (CONFIDENTIALITY), or your material violation of our intellectual property rights or OF the license

Our Affiliates and licensors, and the suppliers to us, our Affiliates or licensors, will, to the extent permitted by applicable law, have no liability to you or to any other person or entity for damages, direct or otherwise, arising out of this EULA, including, without limitation, damages in connection with the performance or operation of Our Products or our performance of services.

1.14. Audit. We may install and use automated license tracking, management and/or enforcement solutions with the Product, which you may not disrupt or alter. You will maintain records in connection with this EULA and the use of the Product and any Updates and/or services provided hereunder. Such records will include at a minimum the number of licenses purchased and being used by you. At our expense and with reasonable written notice to you, we or a third party appointed by us may audit the records, and if necessary and as applicable, the systems on which the Product or any Update is installed for the sole purpose of ensuring compliance with the terms of this EULA. We will have the right to conduct audits as necessary. These audits may be conducted on site at a location where you have installed the Product, remotely from our offices, or a combination of both, if applicable to the Product. On-site audits will be conducted during regular business hours, and neither on-site nor remote audits will interfere unreasonably with your business operations. You agree to share with us copies of all records referenced herein, as well as Product log files and other information reasonably requested by us promptly following such request, but in no event more than five (5) business days following receipt of our written request (or such longer period, if applicable, that we specify in the written request). We will treat all such information obtained or accessed by us during the audit as confidential information pursuant to section 1.11 (Confidentiality) for use by us only as necessary to ensure compliance with and enforcement of the terms of this EULA. If any audit reveals that you have underpaid license, maintenance and support or subscription fees, you will be invoiced for all such underpaid fees based on our list price in effect at the time the audit is completed. If the underpaid fees exceed five percent (5%) of the fees previously paid by you, then you will also pay our reasonable costs of conducting the audit and enforcement of this EULA.

1.15. Termination.

1.15.1. Termination for Breach. We may terminate this EULA by written notice at any time if you do not comply with any of your obligations under this EULA and fail to cure such failure to our

satisfaction within thirty (30) days after such notice. This remedy will not be exclusive and will be in addition to any other remedies which we may have under this EULA or otherwise.

1.15.2. Effect of Termination. Upon expiration of your license term to the Product (if applicable) or earlier termination of this EULA, your license to access and/or use the Product and/or distribute the Redistributables (if applicable) will terminate. You must immediately cease use of the Product and destroy all copies of the Product in your possession (and required any Permitted Third Parties to do the same). Any licenses you have granted to the Redistributables in accordance with the terms and conditions of this EULA will, unless otherwise specified in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms), survive termination of this EULA.

1.15.3. Survival. Any provisions of this EULA containing licensing restrictions, warranties and warranty disclaimers, confidentiality obligations, limitations of liability and/or indemnity terms, audits rights, and any term of this EULA which, by its nature, is intended to survive termination or expiration, will remain in effect following any termination or expiration if this EULA, as will your obligation to pay any fees accrued and owing to us as of termination or expiration.

1.16. Assignment. You may not, without our prior written consent, assign or novate this EULA, any of your rights or obligations under this EULA, or the Products or any of our Confidential Information, in whole or in part, by operation of law, sale of assets, merger or otherwise, to any other party, including any parent, subsidiary or affiliated entity. Your Change of Control will constitute an assignment for purposes of the preceding sentence. A "Change of Control" will include, but not be limited to, any merger, consolidation, amalgamation, reorganization or sale, transfer or exchange of the capital stock or equity interests of you in a transaction or series of transactions which results in the holders of your capital stock or equity interests holding less than 50% of the outstanding capital stock or equity interests immediately following such transaction(s).

1.17. Choice of Law. This EULA is governed by the laws of the Commonwealth of Massachusetts, U.S.A., without regard to the conflict of laws principles thereof. If any dispute, controversy, or claim cannot be resolved by a good-faith discussion between the parties, then it will be submitted for resolution to a state or federal court in Boston, Massachusetts, USA, and the parties hereby irrevocably and unconditionally agree to submit to the exclusive jurisdiction and venue of such court. The Uniform Computer Information Transactions Act and the United Nations Convention on the International Sale of Goods will not apply to this EULA.

1.18. Miscellaneous.

1.18.1. Notices. Notices of termination, material breach, your insolvency or an indemnifiable claim ("**Legal Notices**") must be clearly identified as Legal Notices and sent via overnight courier or certified mail with proof of delivery to the following addresses: For us: 14 Oak Park Drive, Bedford, MA 01730, Attention: General Counsel. For you: your address set out in the Order. Legal Notices sent in accordance with the above will be effective upon the second business day after mailing. Either party may change its address for receipt of notices upon written notice to the other party.

1.18.2. Entire Agreement. This EULA, and any terms expressly incorporated herein by reference, will constitute the entire agreement between you and us with respect to the subject matter of this EULA and supersedes all prior and contemporaneous communications, oral or written, signed or unsigned, regarding such subject matter. Use of any purchase order or other document you supply in connection with this EULA will be for administrative convenience only and all terms and conditions stated therein will be void and of no effect. Except as otherwise expressly contemplated in this EULA, this EULA may not be modified or amended other than in writing signed by you and us.

1.18.3. **Severability.** If any provision of this EULA is terminated or held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remainder of this EULA will remain in full force and effect.

1.18.4. **Waiver.** Failure or delay in exercising any right, power, privilege or remedy hereunder will not constitute a waiver thereof. A waiver of default will not operate as a waiver of any other default or of the same type of default on future occasions.

1.18.5. **English Language.** This EULA has been drawn up in English at the express wish of the parties. Le présent contrat a été rédigé en anglais à la demande expresse des parties.

1.18.6. **Force Majeure.** Neither you nor we will be liable for any delay or failure to take any action required under this EULA (except for payment) due to any cause beyond the reasonable control of you or us, as the case may be, including, but not limited to unavailability or shortages of labour, materials, or equipment, failure or delay in the delivery of vendors and suppliers and delays in transportation.

1.18.7. **Our Use of Our Affiliates.** We may, at our discretion, engage one or more of our Affiliates in the fulfilment of our obligations, including, our obligations for delivery of the Product to you and/or the provision of any maintenance and support services.

2.A. TERMS FOR ON-PREMISE PRODUCTS

2.A.1. **Delivery.** Unless otherwise specified by us, On-Premise Product(s) will be provided to you via electronic delivery, and delivery is deemed complete when the On-Premise Product(s) is/are made available at the electronic software download site specified by us and you are e-mailed or otherwise provided with any necessary instructions, password and/or license keys required for you to be able to access, download and install the On-Premise Product(s). If we provide the On-Premise Product(s) on physical media, shipping terms will be FOB shipping point.

2.A.2. **Updates.** Each Update to an On-Premise Product replaces part or all of the On-Premise Product (or earlier Update) previously licensed to you (“**Replaced Product**”) and will terminate such previously licensed Replaced Product to the extent replaced by the Update; provided, however, that you may continue to operate the Replaced Product for up to ninety (90) days from delivery of the Update to allow you to complete your implementation of the Update. You must cease all use of the Replaced Product at the end of the ninety (90) day period. Each Update will be subject to the terms and conditions of this EULA, except that (i) to the extent the Update contains new or updated Special Notices, your use of any third party components shall be subject to section 1.2.7 of this EULA and the Special Notices accompanying the Update; and, (ii) to the extent section(s) 3 and/or 4 of the license agreement accompanying the Update contain(s) additional or conflicting terms and conditions related to new Products, components, features and/or functionality contained in the Update, or related to additions or modifications to the license definitions, license model or use restrictions, then your use of the Update will be subject to this EULA, as altered by such additional or conflicting terms and conditions of section(s) 3 and/or 4 of the license agreement accompanying the Update which must be accepted by you at the time you download or install the Update. If you do not agree to such additional or conflicting terms and conditions, do not download or install the Update.

2.A.3. **Cloud Environment.** You may upload the On-Premise Product(s) licensed to you pursuant to this EULA onto a cloud instance supplied by a third party, provided that the operation of the On-Premise Product(s) in the cloud instance complies with all license model restrictions and usage

limitations applicable to the On-Premise Product(s). You may also allow the third party to upload, install, operate and/or use the On-Premise Products on the cloud instance, provided that the third party's access to and use of the On-Premise Products is solely for your benefit in accordance with the terms of this EULA. The third party will be considered a Permitted Third Party, and you will be responsible for the Permitted Third Party's compliance with this EULA in accordance with section 1.2.3 (Third Party Use).

2.B. TERMS FOR HOSTED SERVICES - THIS SECTION IS NOT APPLICABLE

3. PRODUCT FAMILY SPECIFIC TERMS

This section specifies terms and conditions that are applicable to the following On-Premise Products: Progress Telerik UI for ASP.NET AJAX, Progress Telerik UI for WinForms, Progress Telerik UI for UWP, Progress Telerik UI for Silverlight, Progress Telerik UI for WPF, Progress Telerik UI for Xamarin, Progress Telerik UI for Blazor, Progress Telerik UI for WinUI, Progress Kendo UI, Progress Kendo UI Builder, Progress KendoReact, Progress Telerik UI for ASP.NET MVC, Progress Telerik UI for ASP.NET Core, Progress Telerik UI for JSP, and Progress Telerik UI for PHP, and any other Product with "Telerik UI for" or "Kendo" in the name and listed at <https://www.telerik.com/purchase/license-agreements> (each individually a "**UI/Kendo Product**" and collectively "**UI/Kendo Products**"), Progress Telerik Test Studio Ultimate, Progress Telerik Test Studio Dev Edition, Progress Telerik Test Studio Web & Desktop, Progress Telerik Test Studio Load, Progress Telerik Test Studio Run-Time Edition, Progress Telerik Test Studio Virtual User Pack, Progress Telerik Test Studio Licensing Server Add-on and any other Product with the "Test Studio" in the name and listed at <https://www.telerik.com/purchase/license-agreements> (each individually a "**Test Studio Product**" and collectively "**Test Studio Products**"), Progress Telerik Reporting, Progress Telerik Report Designer, Progress Telerik Report Server, and Progress Telerik JustMock. The terms and conditions set forth in this Section 3 and in Section 4 apply to their respective Products whether you have obtained one or more of such Products individually or as part of the Progress DevCraft UI, Progress DevCraft Complete, and/or Progress DevCraft Ultimate Product (the "**DevTools Collections**"). The specific Product(s) to which you are granted a license hereunder shall be only those Product(s) identified in the Order or included as part of the DevTools Collection that is identified in the Order. For a list of Products included within each DevTools Collection please see: <https://www.telerik.com/purchase.aspx#product-bundles>. These terms and conditions will apply only to the extent your Licensed Developer (as defined below) is authorized to use either a DevTools Collection or an individual Product listed above. By way of example, if you purchase only the Progress Telerik JustMock license, your Licensed Developer may use only the Progress Telerik JustMock Product subject to these terms and conditions, but if you purchase the Progress DevCraft Complete license, your Licensed Developer may use all the Products included within the Progress DevCraft Complete collection subject to these terms and conditions.

If an Order specifies that one or more identified license(s) is/are an upgrade ("License Upgrade") to one or more previously acquired license(s) (for example, the upgrade of a single product license to a license for the use of a DevTools Collection, or the upgrade of a given DevTools Collection license to a license for a for a larger DevTools Collection), such License Upgrade shall, immediately upon the effective date of the applicable Order, replace the previously acquired license which formed the basis of the License Upgrade. Any fees previously paid by you for the replaced license(s) and/or any related Maintenance Periods (as defined below) are factored into the fees set forth in the Order for the

License Upgrade; under no circumstances shall you be entitled to a refund of fees previously paid by you for the replaced license(s) and/or any related Maintenance Periods. For the avoidance of doubt, while a License Upgrade may increase the number of products available for use under a given license seat (*i.e.* increase the number of products available for use by your existing Licensed Developer), Licence Upgrades do not result in any duplication of licenses and do not increase the number of seats under a given license. An initial Maintenance Period may or may not be included with the purchase of a License Upgrade. The initial Maintenance Period (if any) applicable to the License Upgrade shall be as set forth in the Order and may be a term of less than or greater than one year depending upon a number of factors, including but not limited to, whether or not the license which formed the basis of the License Upgrade was under active maintenance and support at the time of the License Upgrade and the length of the Maintenance Period (if any) remaining at such time.

If a renewal Order specifies that one or more identified license(s) is/are a downgrade (“License Downgrade”) from one or more previously acquired perpetual license(s) (the “Original License”) (for example, if the Order specifies a downgrade of a DevTools Collection license to a license for a single product), then as of the effective date of the downgrade order, the License Downgrade shall replace the Original License for maintenance and support purposes. Other than the maintenance and support renewal fee applicable to the License Downgrade, no additional fees shall be due for the License Downgrade itself and under no circumstances shall you be entitled to a refund of fees previously paid by you for the Original License and/or any related Maintenance Periods. For the avoidance of doubt, while a License Downgrade will decrease the number of products under a given license seat for which you are entitled to receive maintenance and support, License Downgrades do not result in the termination of perpetual licenses granted under the Original License.

Default License Type for each of the above-referenced On-Premise Products: Perpetual, with the exception of: (i) Test Studio Products (which may be Perpetual or Subscription as set forth in the Order); and, (ii) any Products obtained under a Trial License.

3.1. Product Family Definitions.

Any defined term used in this section 3 (Product Family Specific Terms) but not defined herein will have the meaning ascribed to it in section 1 (General Terms and Conditions) or section 2.A (Terms for On-Premise Products).

3.1.3. “**Licensed Developer**” means one of your employees or third-party consultants authorized to develop Your Integrated Products specifically for you using the Product Package in accordance with this EULA. Each Licensed Developer is an Authorized User as defined in section 1.1.3 and all terms and conditions in section 1 (General Terms and Conditions) and section 2.A (Terms for On-Premise Software) pertaining to Authorized Users will apply to a Licensed Developer.

3.1.2. “**Permitted End User**” means your own end-user licensees, including but not limited to, your employees to whom you license and distribute a Product (or portions thereof) solely as part of Your Integrated Product in accordance with the redistribution terms specified in section 4 (Product-Specific Terms).

3.1.4. “**Product Package**” means the Product and the Documentation, collectively.

3.1.5. “**Your Integrated Product**” means those software applications which: (i) are developed by your Licensed Developers; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Product Package; and (iii) are not commercial alternatives for, or

competitive in the marketplace with, the Product Package or any components of the Product Package.

3.2. Restrictions on Eligibility to Purchase a License. Content Management System, .NET, PHP, Java and/or JavaScript component vendors are not allowed to use the Product Package without our express permission. If you or the company you represent is a Content Management System, .NET, PHP, Java or JavaScript component vendor, you may not purchase a license for or use the Product Package unless you contact us directly and obtain permission.

3.3. Required Quantity of Licensed Developers . Licensed Developers must correspond to the maximum number of seats you have purchased for the Product Package from us hereunder. This means that, at any given time, the number of Licensed Developers cannot exceed the number of seats that you have purchased from us and for which you have paid us all the applicable license fees pursuant to this EULA. The Product Package is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device). Your Licensed Developers may install the Product Package on multiple machines, so long as the Product Package is not being used simultaneously for development purposes at any given time by more Licensed Developers than you have seats.

3.4 Sharing Support Tickets. In order to allow visibility of support issues across teams in your organization, your Licensed Developers may share support tickets received from us with Authorized Users and with Permitted Third Parties. For clarification, support tickets are Updates under this EULA.

3.5. Trial License.

3.5.1. License Grant. If you downloaded the free trial license for the Product Package (“**Trial License**”), then your use of the Product Package is subject to the limitations and conditions specified in section 1.2.5 (Limitations on Evaluation or Trial Licenses). Without limiting the foregoing, you are not allowed to integrate the Product Package into end products or use it for any commercial, productive or training purpose. You may not redistribute the Product Package. The term of the Trial License will be 30 days. If you wish to continue using the Product Package beyond the expiration of the Trial License, you must purchase the applicable Developer License, as defined in section 4 (Product-Specific Terms).

3.5.2. Support – Trial License. As described in greater detail here: <http://www.telerik.com/purchase/support-plans/devtools>, and subject to the limitations and restrictions described in the Fair Usage Policy set forth below, you are entitled to enter support requests via our ticketing system with a 72 hour response time (excluding Saturdays, Sundays and holidays) for thirty (30) days after download of your initial Trial License. For avoidance of doubt, you are not entitled to additional support requests for any Trial Licenses of the same or successor Products downloaded after your initial download (e.g. to evaluate a new release), for a period of one (1) year from the date of your initial download.

3.5.3. Updates – Trial License. At our sole discretion, you may receive certain Updates for the Product Package version you are evaluating. If Progress makes Updates to the Product Package available to you, such Updates replace and/or supplement (and may disable) the version of the Product Package that formed the basis for your eligibility for the Update. You may use the resulting updated Product Package only in accordance with the terms of this Trial License. For the avoidance of doubt, Updates do not restart the term of the Trial License.

3.6. Support and Updates – Developer License

3.6.1. Support. For any applicable period for which you have purchased maintenance and support (the “**Maintenance Period**”), you will receive minor and major Updates for the Product Package, and will be entitled to receive support, each as described in further detail below. Except as otherwise set forth in Section 4, during the Maintenance Period, you are entitled to either the “Lite”, “Priority”, or “Ultimate” support package as determined at time of purchase and set forth on the Order and described in greater detail here: <http://www.telerik.com/purchase/support-plans/devtools> subject to the limitations and restrictions described in the following Fair Usage Policy. You will lose the right to receive support and Updates at the end of your Maintenance Period, unless you renew your access to updates and support for additional Maintenance Period(s) with us at additional cost. Your level of support (Lite, Priority or Ultimate) is determined at the time of initial license purchase. You may upgrade your level of support for individually purchased Products at any time during an active Maintenance Period provided we continue to make such levels of support generally available. Any support level upgrades (if purchased) and all access to support and Updates thereunder will be bound to the term of the then active Maintenance Period (i.e. the renewal/expiration date of your Maintenance Period will not change as a result of the support level upgrade). The level of support for all Products obtained as part of a DevTools Collection is determined according to the level of support specified for such DevTools Collection here: <http://www.telerik.com/purchase/support-plans/devtools> and may not be upgraded or downgraded. The following additional terms apply to support hereunder:

(a) We may apply a Fair Usage Policy that allows us to limit or terminate your access to any or all of the support services if your use of the support services is determined by us, in our sole and reasonable discretion, to be excessive.

(b) In no event will we provide support of any kind to your Permitted End Users.

3.6.2. Updates. During the Maintenance Period, you will be eligible to receive all major Updates and minor Updates for the version of the Product Package that you license hereunder. Notwithstanding anything to the contrary in Section 2.A.2., with respect to: the UI/Kendo Products, Progress Telerik Reporting, Progress Telerik Report Designer, Progress Telerik Report Server, and Progress Telerik JustMock, you are not required to delete a Replaced Product ninety (90) days from delivery of the Update. You may continue to operate the Replaced Product for the duration of the term of the license governing use of the Replaced Product that was granted to you by us (or our predecessor in interest) upon initial delivery of the Replaced Product. For the avoidance of doubt, the foregoing does not expand the scope or quantity of licenses granted to you pursuant to any Order. Replaced Products may only be used by your Licensed Developer(s) (and in the case of Progress Telerik Report Server and Progress Telerik Report Designer, your CAL User(s)) who is/are licensed to use the updated Product Package hereunder. A Progress Telerik Report Server Replaced Product may not be used on any Domains that are different from or additional to the Domains on which you are licensed to use the Progress Telerik Report Server updated Product Package. Use of any Replaced Product is at your sole discretion and risk. Replaced Products are as-is and without warranty of any kind. Notwithstanding anything to the contrary herein, Progress: (a) hereby disclaims all warranties expressed hereunder or otherwise expressed or implied; (b) shall assume no indemnification obligations; and, (c) shall have no liability for damages of any kind, related to and/or resulting from the Replaced Products and/or the use thereof. Progress shall have no obligation to maintain or provide support for any Replaced Products.

3.6.3. Maintenance and Support Auto Renewal Program.

(a) You may elect to enroll in the Maintenance and Support Auto Renewal Program at the time of purchase for a license purchased online at www.telerik.com or at any time thereafter by enabling auto renew within your www.telerik.com account (“**Your Account**”) and/or by contacting us directly. By enrolling in the Maintenance and Support Auto Renewal Program, you understand and agree that your access to Updates and support will automatically renew for subsequent one-year Maintenance Periods for the entire time that you remain actively enrolled in the Maintenance and Support Auto Renewal Program.

(b) As a condition of your initial and continued enrolment in the Maintenance and Support Auto Renewal Program, you agree to keep your credit card, billing, and contact information up-to-date at all times via Your Account. You may change your auto renewal preference at any time within Your Account or by contacting us directly. We may switch your auto renewal preference to “off” at any time we determine or suspect that your credit card, billing, and/or contact information is out of date, inaccurate, or fraudulent. We may disable or discontinue the Maintenance and Support Auto Renewal Program at any time for any reason without providing advance notice to you.

(c) Once you have enrolled in the Maintenance and Support Auto Renewal Program, unless you set the auto renewal preference to “off” in your account prior to the end of your existing Maintenance Period, your access to Updates and support will automatically renew, and you authorize us (without notice) to collect the then-applicable fee and any taxes for the renewal Maintenance Period, using the credit card or billing credentials that you provided with respect to your initial purchase and/or your enrollment in the Maintenance and Support Auto Renewal Program. All payments are non-refundable, even if you or your Licensed Developers stop using the Product and/or stop using or accessing support and Updates. The fees and features applicable to support and Updates may change over time. Your access will be renewed at an annual fee of 50% of the retail cost of a new Product license (at the time of renewal), and at the level we, in our sole discretion, identify as being closest to that which was provided during your previous Maintenance Period.

3.7. Source Code. Progress may make the source code for certain Product Packages available to you hereunder. Any Product Package source code that is provided to you by us hereunder, is provided so that your Licensed Developers can create modifications under the terms of this EULA and subject to the following conditions:

(a) While we do not claim any ownership rights in Your Integrated Products, any modifications your Licensed Developers develop to the Product Package source code will be our exclusive property, and you agree to and hereby do assign all right, title and interest in and to such modifications and all rights associated therewith to us.

(b) You will be entitled to use modifications of the Product Package’s source code developed by your Licensed Developers under the terms of this EULA and we grant you a license to use such modifications pursuant to the applicable Developer License grant set out in section 4 (Product-Specific Terms).

(c) You acknowledge that the Product Package’s source code is confidential and contains our valuable and proprietary trade secrets. Except as otherwise expressly provided in this EULA, under no circumstances may any portion of the Product Package’s source code or any modified version of the source code be distributed, disclosed or otherwise made available to any third party.

(d) We DO NOT provide technical support for any source code that has been modified by any party other than us.

(e) The Product Package's source code is provided "as is", without warranty of any kind. Refunds are not available for any licenses that include a right to receive source code.

3.8. No Trademark License. You may not use our product names, logos or trademarks to market Your Integrated Product.

3.9. Destruction Requirement upon Termination. Upon termination of this EULA, all licenses granted to you hereunder will terminate automatically and the terms of section 1.15.2 (Effect of Termination) will apply. Additionally, you must destroy: (i) all copies of the Product Package not integrated into a live, functioning instance(s) of Your Integrated Product(s) already installed, implemented and deployed for your Permitted End Users, and (ii) any product and company logos provided by us in connection with this EULA.

3.10. Product Discontinuance. We reserve the right to discontinue any Product Package or any component of any Product Package, whether offered as a standalone product or solely as a component, at any time. However, we are obligated to provide support in accordance with the terms of this EULA for the discontinued Product Package or any discontinued component of the Product Package for a period of one year after the date of discontinuance (provided you are under an active Maintenance Period).

4. PRODUCT SPECIFIC TERMS

Any defined term used in this section 4 (Product-Specific Terms) but not defined herein will have the meaning ascribed to it in section 1 (General Terms and Conditions), section 2.A (Terms for On-Premise Products), or 3 (Product Family Specific Terms).

4.AUI/Kendo Products, Progress Telerik Reporting, and Progress Telerik Report Designer

This section specifies terms and conditions that are applicable to the UI/Kendo Products, Progress Telerik Reporting, and Progress Telerik Report Designer. Progress distributes the Progress Telerik Report Designer Product in connection with the Progress Telerik Reporting Product and the Progress Telerik Report Server Product. The terms and conditions governing your use of the Progress Telerik Report Designer Product are dependent upon whether you obtained the Progress Telerik Report Designer Product in connection with the Progress Telerik Reporting Product or the Progress Telerik Report Server Product. This section 4.A sets forth the terms and conditions for your use of the Progress Telerik Report Designer Product as distributed by us in connection with the Progress Telerik Reporting Product.

4.A.1. License.

Subject to the terms of this EULA, we grant to you the following limited, non-exclusive, non-transferable license (the "License") to use the UI/Kendo Products, Progress Telerik Reporting Product, and Progress Telerik Report Designer Product (each as applicable) as set out herein. You are granted either a Trial License pursuant to section 3.5 (Trial License) or a developer license ("Developer License") pursuant to section 4.A.1.1 (Developer License). Which version of the License applies (i.e., Trial License or Developer License) is determined at the time of the License purchase.

4.A.1.1. Developer License.

4.A.1.1.1. License Grant. If you purchase a Developer License, your Licensed Developers may use (as applicable based on the Product(s) identified in the Order or included in the DevTools collection(s) identified in the Order): (a) the UI/Kendo Products Product Package(s) in object code form (or, if JavaScript-based, in minified form), and source code form (if provided) in accordance with Section

3.7 (Source Code) only in the development of Your Integrated Products; (b) the Progress Telerik Reporting Product Package in object code form only and only in the development of Your Integrated Products; and/or, (c) the Progress Telerik Report Designer Product Package in object code form only and only in conjunction with your licensed use of the Progress Telerik Reporting Product. You may also embed copies of the UI/Kendo Products and/or the Progress Telerik Reporting Product in Your Integrated Products that you license and distribute to your Permitted End Users solely in accordance with the requirements set out in section 4.A.2 (Redistribution under Developer License).

4.A.1.1.2. Testing and Building License. If you purchase a Developer License, you may also use (as applicable based on the Product(s) identified in the Order or included in the DevTools collection(s) identified in the Order) the UI/Kendo Products Product Package, and/or Progress Telerik Reporting Product Package in the testing and building of Your Integrated Products. Testing consists of one or more of the following functions: retrieving source code developed by your Licenced Developers from the source control repository, and/or using a compiled version of Your Integrated Product, for the purposes of quality assurance (i.e. writing tests and manually testing).
