

Tabs Studio Business License Agreement

This is a legal agreement between you and Sergey Vlasov covering use of the application known as **Tabs Studio**.

TERMS OF USE

Sergey Vlasov grants you a non-exclusive license to install and use **Tabs Studio** concurrently on no more workstations than the number of seats purchased. If you install Tabs Studio on a server and remote users run Visual Studio, the Tabs Studio license is required for each remote workstation. You may not permit individuals outside your company to use your **Tabs Studio** registration code.

If this license was acquired for evaluation, your license is for a term of 30 days (Trial Period) from the date **Tabs Studio** was installed. At the end of the Trial Period, further use of **Tabs Studio** by you is prohibited without the purchase of a permanent license.

GUARANTEE

If you are not satisfied with **Tabs Studio** you have the unconditional right to claim and receive a refund within 30 days after the purchase date. No refund is available after 30 days. Each client has the right for one moneyback only.
