**SYNCFUSION DATA INTEGRATION PLATFORM AND BIG DATA PLATFORM SOFTWARE
LICENSE AGREEMENT**

This Software License Agreement (the "**Agreement**") is a legal agreement between you ("You", "Your", or "Customer"), and Syncfusion, Inc., a Delaware corporation with its principal place of business located at 2501 Aerial Center Parkway, Suite 200, Morrisville, NC 27560 ("Syncfusion").

Syncfusion licenses its Big Data Platform and Data Integration platform on a per-machine basis (referred to below as Retail Licenses), on a site basis, and on an enterprise basis. Your right to use any given copy of a Syncfusion software product is generally set forth in this Agreement. In the event that your copy of this software product is licensed under a project license, a division license or an enterprise license, additional terms and conditions shall also apply which will be set forth in a separate written and signed agreement.

Carefully read all the terms and conditions of this Agreement prior to downloading and/or installing or using the Licensed Product (as that term is defined below). This Agreement between you and Syncfusion sets forth the terms and conditions of your use of the Licensed Product. For the purposes of this Agreement, the effective date of this Agreement shall be the date upon which you click the "YES" button below.

If you are obtaining access to the software licensed under this Agreement through Your participation in the Syncfusion Plus Program, this Agreement is also subject to the terms and conditions of the Syncfusion Plus program set forth in the "Syncfusion Plus Agreement", the acceptance of which is a prerequisite to participation in the Syncfusion Plus Program and to Your access to software programs provided thereunder. The Syncfusion Plus Agreement is incorporated in its entirety herein by this reference. No rights may be granted under this Agreement until such time as Customer accepts the terms and conditions of the Syncfusion Plus Agreement. Benefits available under the Syncfusion Plus program are detailed under Appendix A of this document.

Your participation in the Syncfusion Plus program is, under all circumstances, optional. The software programs available under the Syncfusion Plus program, such as the programs offered under this Agreement, are separate from other programs licensed from Syncfusion, and Your use of other software programs under a previous Syncfusion Software License Agreement in no way obligates You to participate in the Syncfusion Plus program or to use any software program or benefit offered under the Syncfusion Plus program. If you are obtaining access to the software licensed under this Agreement through a Data Integration subscription license and not through the Syncfusion Plus Program then only the terms, set forth in this Agreement apply.

BY CLICKING THE "YES" BUTTON, YOU ARE ACCEPTING ALL THE TERMS OF THIS AGREEMENT AND AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL THE TERMS OF THIS AGREEMENT, CLICK THE "NO" BUTTON AND DO NOT DOWNLOAD AND/OR INSTALL OR OTHERWISE USE THE LICENSED PRODUCT. THE TERMS OF SYNCFUSION PLUS PROGRAM ARE INCORPORATED BY REFERENCE.

IF AFTER READING THIS AGREEMENT YOU HAVE ANY QUESTIONS ABOUT THIS AGREEMENT, PLEASE CONTACT SYNCFUSION VIA EMAIL AT SALES@SYNCFUSION.COM OR BY TELEPHONE AT (888)-9DOTNET [888-936-8638].

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each of the parties to this Agreement, and intending to be legally bound, the parties hereby agree as follows:

1. This Agreement contains the entire understanding of Syncfusion and Customer and supersedes all prior written or oral communications between the parties with respect to the subject matter hereof. This Agreement does not operate as an acceptance of any conflicting terms and conditions and shall prevail over any conflicting provisions of any purchase order of Customer or any other instruments. By clicking the "YES" button below, Customer acknowledges that it has reviewed the terms and conditions of this Agreement and all terms incorporated by reference, and agrees to be legally bound thereby.

2.8   **Qualifying Product** means Syncfusion Essential Studio (binary or source edition) with an active subscription in place. For the avoidance of doubt Syncfusion will have full discretion of who is or who is in good standing. In the event Syncfusion receives any information, which at Syncfusion's discretion, would determine the Customer is not a Qualified Customer the status will change immediately from Qualified Customer to non-qualified customer.

3. License Fee:

3.1   The license fee ("License Fee") is the aggregate of the fees for the Licensed Program(s) selected by Customer.

3.2   The License Fee is due and payable by Customer upon receipt of Syncfusion's invoice. All payments under this Agreement shall be made in United States dollars, and if not paid within thirty (30) days of when due will be subject to interest at the rate of eighteen percent (18%) annually, or the maximum amount allowed by applicable law if lower, calculated from the date when payment was due until payment is made. In addition, Customer agrees to pay Syncfusion's cost of collecting any past-due amounts under this Agreement, including but not limited to reasonable attorneys' fees.

4. License Grant:

4.1   Subject to (1) payment of all license fees and (2) your compliance with the terms of this Agreement and (3) so long as Customer is a Qualified Customer, Syncfusion hereby grants to Customer a single machine limited, non-exclusive, non-transferable, non-sub-licensable and revocable license subscription to the Licensed Product solely for the benefit of Customer to install, access, run and display the Licensed Product . All use of the Licensed Program(s) by Customer shall be made solely in accordance with the Documentation. For the avoidance of doubt each individual end-user machine will require an individual subscription license.

4.2   All licenses are subject to the following limitations:

(a) Customer will receive one node per license.

(b) The Licensed Product shall be used only by Customer for Customer's sole and exclusive benefit, and shall not be used to provide time-sharing or other similar services.

(c) Customer shall not transfer, distribute or sublicense the Licensed Product to any third parties and Customer's license shall automatically terminate in the event of such a transfer, distribution, or sublicense.

(d) Customer shall not lease or lend the Licensed Program(s) or otherwise allow use of the Licensed Program(s) by or on behalf of any third party, nor describe the results of any benchmarking of the Licensed Program(s), whether or not obtained with Syncfusion's assistance, to any third party.

(e) Customer acknowledges and agrees that there are additional limitations on making copies of the Licensed Product. Distribution or redistribution of the Licensed Product in any form shall be a material breach of the Agreement.

(f) Customer may not use the Licensed Program(s) in such a way that results in Customer's development of software products that are directly or indirectly competitive with the Licensed Product or other Syncfusion products.

(g) The Licensed Program(s) may not be used in a framework, wrapper, or other such products that are intended to be programmatically reused by anyone.

(h) Customer acknowledges and agrees that Customer will abide by all data privacy laws. Customer acknowledges and agrees that in the event of a violation of any data privacy breach Customer agrees to be solely responsible for any and all damages. Syncfusion will have no liability, in any manner, even if such breach was caused by the Licensed Product.

(i) Customer acknowledges and agrees that in the event the subscription granted hereunder is not renewed then the Agreement will terminate and Customer acknowledges and agrees that Customer will fully remove Syncfusion's Licensed Products.

(j) Customer acknowledges that any breach of this Section 4 will constitute a material breach of this Agreement and will result in an immediate termination of the license granted hereunder

(k) Syncfusion reserves all rights to the Licensed Product not specifically granted herein.

5.   Title: No title to or ownership in the Licensed Product is transferred to Customer. Title to and all applicable rights in patents, copyrights, trademarks and trade secrets in the Licensed Product shall remain in Syncfusion or third parties from whom Syncfusion has obtained rights to license the Licensed Product. The Licensed Product provided hereunder, including the ideas, concepts, know-how and technology contained therein, is proprietary and confidential to and contains trade secrets of Syncfusion and its Vendors, and Customer agrees to be bound by and observe the proprietary, confidential and trade secret nature thereof as herein provided. Customer agrees to take appropriate action by instruction or agreement with its employees who are permitted access to the Licensed Product to fulfill its obligations hereunder. Except as may be permitted in writing by Syncfusion, Customer shall not provide, or otherwise make available, the Licensed Product or copies thereof to any third party.

6.   Term and Termination:

6.1   The term of the Subscription License and license rights granted under this Agreement shall be for a period commencing at download of the Licensed Product, and continuing until such time as Customer pays the required annual subscription fee. Evaluation use shall under no circumstance exceed thirty (30) days for any Customer. For the avoidance of doubt, this is not a perpetual license and does not have perpetual rights.

6.2   If the Licensed Product is provided to Customer under the "Syncfusion Plus" program, such a license will continue only as long as Customer remains a Qualified Customer (as that term is defined in the Syncfusion Plus Agreement) under the "Syncfusion Plus" program. The license provided hereunder shall terminate immediately at the time that Customer ceases to be a Qualified Customer or when the Customer chooses to terminate their membership in the "Syncfusion Plus" program.

6.3   Syncfusion shall have the right to terminate Customer's license if Customer fails to pay any required license fee(s) or otherwise fails to comply with any of the license terms and conditions set forth in this Agreement. In the event that Customer's failure to comply with the license terms and conditions is not payment-related, or a material breach of the Agreement, Syncfusion shall give written notice to Customer of such default, and if such default has not been remedied within thirty (30) days after such notice, the license granted hereunder shall terminate. In the event that Customer has failed to pay any required fee(s), whether an initial license fee or fee for additional licenses, or any other services, Syncfusion shall give written notice to Customer of such default, and if such default has not been remedied in full within five (5) days of such notice, all licenses granted hereunder are hereby automatically

revoked without further notice. Once any licenses are terminated for failure to pay license fees, all use of the Licensed Product, <u>including other products or products licensed under prior agreements</u>, shall be strictly prohibited. Syncfusion shall not be required to give any written notice in the event that Customer's material breach of this Agreement results in the immediate termination of the license granted under this Agreement.

6.4   Customer agrees, upon expiration of the license subscription term, upon termination by reason of Customer's default or material breach or upon termination due to not being a Qualified Customer, Customer shallto immediately return or destroy the Licensed Program(s) and copies thereof as directed by Syncfusion and, if requested by Syncfusion, to certify in writing as to the destruction or return of the Licensed Product and all copies thereof.

6.5   Sections 5, 7.2, 8, 9, 11 and 16 of this Agreement shall survive the expiration or termination of Customer's license and this Agreement.

7.   Warranty:

7.1   The Licensed Products provided to Customer hereunder are provided to You "as-is" and without any warranty or indemnification of any kind. Accordingly, Customer acknowledges and agrees that Customer shall remain solely liable for any claims that may arise from Customer's use of the Licensed Products, regardless of such claims arise alone or in connection with any other products provided by Syncfusion. For the avoidance of doubt, Customer hereby acknowledges and agrees that Syncfusion shall have no liability to Customer whatsoever under any circumstances related to the Licensed Products.

7.2   THE ABOVE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WHICH WARRANTIES ARE HEREBY DISCLAIMED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

9.   Use of Licensed Program(s) and Limitation of Liability:

9.1   The Licensed Program(s) are tools that are not intended to replace the professional skills and judgment of Customer and its employees, agents and consultants. Customer acknowledges and agrees that: (i) Customer alone shall be responsible for the accuracy and adequacy of information and data furnished for processing and any use made by Customer of the output of the Licensed Program or any reliance thereon by Customer or users of Customer products. (ii) Customer shall also be responsible for the continued operation and maintenance of the computer equipment and the third-party software used with the Licensed Program. (iii) For these reasons, Customer agrees to be solely responsible for the design, repair and configuration of Customer's equipment, machinery, systems and/or products. (iv) Customer assumes all risks and liability for results obtained by the use of and/or implementation of the designs developed by Customer that are in any way influenced by the use of the Licensed Program(s) or the provision of services, whether such designs are used singly or in combination with other designs or products.
