SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

This Software License Agreement (the “**Agreement**”) is a legal agreement between you (“You”, “Your”, or “Customer”) and Syncfusion, Inc., a Delaware corporation with its principal place of business located at 2501 Aerial Center Parkway, Suite 200, Morrisville, NC 27560 (“Syncfusion”). If you are acting as an individual, “You”, “Your”, or “Customer” will mean that you agree to be bound by these terms; otherwise, “You”, “Your”, or “Customer” will mean the business or other entity for which you are obtaining the Licensed Product and the organization or entity that will be granted the rights and abide by the restrictions of the Agreement.

This Agreement is specific to the Syncfusion Report Platform software product license.

Syncfusion licenses its products on a per-copy basis (referred to below as Author Licenses) and on a project license, division license, and global license basis. Your right to use any given copy of a Syncfusion software product is generally set forth in this Agreement. In the event that your copy of this software product is licensed under a project license, division license, or global license, additional terms and conditions shall also apply and will be set forth in a separate written agreement.

Carefully read all of the terms and conditions of this Agreement prior to downloading and/or installing or using the Licensed Product (as that term is defined below). This Agreement between you and Syncfusion sets forth the terms and conditions of your use of the Licensed Product. For the purposes of this Agreement, the effective date of this Agreement shall be the date upon which you click the “YES” button below.

BY CLICKING THE “YES” BUTTON, YOU ARE ACCEPTING ALL OF THE TERMS OF THIS AGREEMENT AND AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, CLICK THE “NO” BUTTON AND DO NOT DOWNLOAD AND/OR INSTALL OR OTHERWISE USE THE LICENSED PRODUCT. IF AFTER READING THIS AGREEMENT YOU HAVE ANY QUESTIONS ABOUT THIS AGREEMENT, PLEASE CONTACT SYNCFUSION VIA EMAIL AT SALES@SYNCFUSION.COM OR BY TELEPHONE AT (888)-9DOTNET [888-936-8638].

If you are obtaining access to the software licensed under this Agreement through Your participation in the **Syncfusion Plus Program**, this Agreement is also subject to the [terms and conditions of the Syncfusion Plus](#) program set forth in the “Syncfusion Plus Agreement”, the acceptance of which is a prerequisite to Your participation in the Syncfusion Plus program, obtaining a license to the Syncfusion Report Platform software product, and to Your access to software programs provided thereunder. The Syncfusion Plus Agreement is incorporated in its entirety herein by this reference. Under no circumstance will any rights be granted under this Agreement until such time as Customer accepts, and agrees to be bound by, the terms and conditions of the Syncfusion Plus Agreement.

Your participation in the Syncfusion Plus program is, under all circumstances, optional. The software programs available under the Syncfusion Plus program, such as the programs offered under this Agreement, are separate from other programs licensed from Syncfusion, and Your use of other software programs under a previous Syncfusion Software License Agreement in no way obligates You to participate in the Syncfusion Plus program or to use any software program or benefit offered under the Syncfusion Plus program.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each of the parties to this Agreement, and intending to be legally bound, the parties hereby agree as follows:

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

1. This Agreement contains the entire understanding of Syncfusion and Customer and supersedes all prior written or oral communications between the parties with respect to the subject matter hereof. This Agreement does not operate as an acceptance of any conflicting terms and conditions and shall prevail over any conflicting provisions set forth in any Customer purchase order or any other instruments. By clicking the “[YES](#)” button below, Customer acknowledges that it has reviewed the terms and conditions of this Agreement and all terms incorporated by reference, and agrees to be legally bound thereby.

2. Definitions:

- 2.1 **Author** means any individual within an organization who (1) has access to the Report Server or (2) can generate, design, customize, or distribute reports.
- 2.2 **Author License** means a single copy of an individual named user license that can be assigned to an Author within Customer’s organization for each Author.
- 2.3 **CAL or Client Access License** means an individual named user license that can be assigned to one individual within Customer’s organization and may only be used to view or edit reports created using the Licensed Product.
- 2.4 **Computer System** means the computer hardware equipment on which Customer has elected to install and/or execute a given copy of Licensed Program(s).
- 2.5 **Documentation** means the softcopy documentation provided by Syncfusion with the Licensed Program(s), such as softcopy user manuals and online help.
- 2.6 **Licensed Product** means, collectively, the Licensed Program(s) and Documentation.
- 2.7 **Licensed Program(s)** means the source code version or executable version of the Syncfusion Report Platform software program, as well as any updates or new versions of the same that may be delivered by Syncfusion to Customer during the term of this license. Licensed Programs under this Agreement are limited to the Syncfusion Report Platform.
- 2.8 **Qualifying Product** means Syncfusion Essential Studio (binary or source edition) with an active subscription in place. For clarity, platform-specific products such as the WPF Edition are not considered Qualifying Products. Community Licenses shall be considered a Qualifying Product.
- 2.9 **Qualified Customer** means a Customer that (i) is a licensee of a Qualifying Product, (ii) is maintaining an active subscription for a Qualifying Product, and (iii) is in good standing with regard to the payment of any and all fees that are due Syncfusion. For the avoidance of doubt Syncfusion will have full discretion of who is or who is not a Qualified Customer. In the event Syncfusion receives any information which, at Syncfusion’s discretion, would determine the Customer is not a Qualified Customer, the status will change immediately from Qualified Customer to non-qualified customer.
- 2.10 **Syncfusion Plus Program** means the program operated by Syncfusion whereby Syncfusion provides certain optional software products and other benefits to Qualified Customers (as that term is defined above).
- 2.11 **Vendor(s)** means the third parties that furnish Syncfusion with portions of the Licensed Program(s). Certain Vendor software is licensed to be used in conjunction with the Licensed Program(s) and not for any other use.

3. License Fee:

- 3.1 The license fee (“License Fee”) is the aggregate of the fees for the Licensed Program(s) selected by Customer.
- 3.2 The License Fee is due and payable by Customer upon receipt of Syncfusion’s invoice. All payments under this Agreement shall be made in United States dollars, and if not paid within thirty (30) days of when due will be subject to interest at the rate of eighteen percent (18%) annually, or the maximum amount allowed by applicable law if lower, calculated from the date when payment was due until payment is made. In addition, Customer agrees to pay Syncfusion’s cost of collecting any past-due amounts under this Agreement, including but not limited to reasonable attorneys’ fees.

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

4. License Grant:

4.1 Subject to the terms and conditions of this Agreement, Syncfusion hereby grants to Customer a limited, non-exclusive, non-transferable, named-user Author license to the Licensed Product, for use on a specific Platform, solely for the benefit of Customer. All use of the Licensed Program(s) by Customer shall be made solely in accordance with the Documentation. Customer must ensure each Author has an Author License.

4.2 Subject to the limitations of this agreement, each Author License may grant the individual named user the ability to make unlimited reports. Anything created with a valid Author License may be distributed to an unlimited number of CALs for the term of the Agreement.

4.3 The Author License and the CAL License granted hereunder is purely a subscription license in nature, which means, among other things, that the subscription must be renewed each year in order to continue using or possessing the Licensed Product, and that there are no perpetual rights of any kind granted under this Agreement. In the event your subscription expires, then the subscription will terminate and you must cease using and possessing the Licensed Product and uninstall all instances of the Licensed Product. This includes removal or uninstallation on all computers, servers, and third-parties who have received the product.

Subject to the limitations of this Agreement and the master license agreement, if you have a signed master license agreement for a project license, division license or a global license then, you will receive 1 server license that has unlimited Author Licenses.

4.4 In order for named users to (1) have access to the Report Designer or (2) generate, design, customize, and distribute reports, each such user must have an Author license. Author Licenses are tied to a named user within a Customer's organization.

4.5 In order to view or edit a report made by an Author, each individual must have a CAL license. There are unlimited CALs per Author License. However, upon termination of the subscription licenses, all CAL Licenses must remove the Licensed Product. CAL Licenses may be used inside or outside Customer's organization.

4.6 Syncfusion licenses the Licensed Program on a per-server basis, and provides access to the reports stored on the server using an Author model wherein each user must be a named user. Individual users may install the Licensed Program on one (1) individual server after obtaining a subscription license. In order for named users to generate, design, customize, edit, view, and otherwise distribute reports, each such user must have an Author license. Each server license has unlimited Author Licenses

4.7 All licenses are subject to the following limitations:

(a) The Licensed Product shall be used only by Customer for Customer's sole and exclusive benefit, and shall not be used to provide time-sharing or other similar services.

(b) Customer shall not transfer, distribute, or sublicense the Licensed Product to any third parties, unless such rights are granted to You under the Syncfusion Plus Program, and Customer's license shall automatically terminate in the event of such a transfer, distribution, or sublicense.

(c) Customer shall not lease or lend the Licensed Program(s) or otherwise allow use of the Licensed Program(s) by or on behalf of any third party, nor describe the results of any benchmarking of the Licensed Program(s), whether or not obtained with Syncfusion's assistance, to any third party.

(d) Customer acknowledges and agrees that there are additional limitations on making copies of the Licensed Product.

(e) Customer acknowledges and agrees that there are additional limitations of the Licensed Product.

4.7.e.1 Customer must ensure that each individual who receives a Dashboard designed by an Author has an assigned CAL copy of the Licensed Product.

4.7.e.2 Syncfusion will, in its sole discretion, make the final determination as to the number of copies of the Licensed Product that Customer must obtain in order to provide adequate copies for Customer's personnel and authorized subcontractors.

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

4.7.e.3 Customer will not redistribute, or provide access in any way, to the Licensed Product to any individual that does not possess a valid licensed copy of the Licensed Product.

4.7.e.4 Customer acknowledges and agrees that Customer shall not remove any product identification, proprietary notices, copyright trademark, service mark, or other notices contained in the Licensed Product.

4.7.e.5 Customer acknowledges and agrees that a breach of Section 4.5(e) is a material breach of the Agreement that will result in termination of all licensed rights and of the Agreement.

4.7.e.6 This Agreement is a subscription license in nature, and failure to renew the subscription prior to expiration will be a material breach of this Agreement that will result in the termination of all licensed rights.

(f) Syncfusion reserves all rights to the Licensed Product not specifically granted herein.

5. Third Party Notices. Customer hereby acknowledges and agrees that the Licensed Programs contain certain features that (i) are licensed from third parties and are subject to additional terms or third party licenses or (ii) allow Customer to implement or interface with third party products that are subject to separate agreements. Customer further acknowledges that the list of such features may change as newer versions of the Licensed Programs are released by Syncfusion. Customer is required to obtain all third party licenses. Further, Customer acknowledges and agrees that it must obtain licenses from Microsoft® for any and all software products reasonably required for any software developer to operate in a Windows® environment. All internet links are provided by Syncfusion for Customer's convenience only, and Syncfusion makes no representation or warranty of any kind with regard thereto. Syncfusion shall have no liability whatsoever for, nor provide any indemnification to, Customer under any circumstances for any claims that may arise against Customer related to Customer's use of such third party software.

Customer acknowledges and agrees that the Licensed Product may contain open source components that could be licensed under open source licenses. A list of open source components, and links to their licenses, are listed in Appendix A. This list can be changed or updated without notice. Syncfusion provides this internet link for Customer's convenience only and makes no representation or warranty of any kind with regard thereto. Customer acknowledges and agrees that Customer remains solely liable for any claims that arise from Customer's incorporation of the open source products into Customer products and that Syncfusion shall have no liability whatsoever under any circumstances.

6. Community License: If Customer has obtained access to the Licensed Product or is a Qualified Customer by nature of being a Community License holder, then Customer acknowledges and agrees to be bound by all terms of the Community License, all terms of Syncfusion's Plus Program, and all terms of this Agreement. Additionally, each Community License includes five (5) Author licenses and 15 CALs per organization. In the event an organization needs more licenses, then an organization must purchase more Author Licenses. The Licensed Product licensed under the Community License is provided "as is", without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose, and non-infringement. In no event shall Syncfusion be liable for any claim, damages, or other liability, whether in an action of contract, tort, or otherwise, arising from, out of, or in connection with the Licensed Product or the use or other dealings in the Licensed Product when licensed under a Community License. Customer acknowledges and agrees that if Customer becomes ineligible to continue as a licensee under a Community License, Customer shall immediately notify Syncfusion of such occurrence and upgrade to a commercial license.

7. Title: No title to or ownership in the Licensed Product is transferred to Customer. Title to and all applicable rights in patents, copyrights, trademarks, and trade secrets in the Licensed Product shall remain in Syncfusion or third parties from whom Syncfusion has obtained rights to license the Licensed Product. The Licensed Product provided hereunder, including the ideas, concepts, know-how, and technology

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

contained therein, is proprietary and confidential and contains trade secrets of Syncfusion and its Vendors, and Customer agrees to be bound by and observe the proprietary, confidential, and trade secret nature thereof as herein provided. Customer agrees to take appropriate action by instruction or agreement with its employees who are permitted access to the Licensed Product to fulfill its obligations hereunder. Except as may be permitted in writing by Syncfusion, Customer shall not provide or otherwise make available the Licensed Product or copies thereof to any third party.

8. Term and Termination:

- 8.1 The license rights granted under this Agreement shall be for a period commencing at the later of (i) the payment of the license subscription fee or (ii) download of the Licensed Product, and continuing until such time as Customer pays the required annual subscription fee. Evaluation use shall under no circumstance exceed thirty (30) days for any Customer.
- 8.2 If the Licensed Product is provided to Customer under the “Syncfusion Plus” program, such a license will continue only as long as Customer remains a Qualified Customer (as that term is defined in the Syncfusion Plus Agreement) under the “Syncfusion Plus” program. The license provided hereunder shall terminate immediately at the time that Customer ceases to be a Qualified Customer or when the Customer chooses to terminate their membership in the “Syncfusion Plus” program.
- 8.3 Syncfusion shall have the right to terminate Customer’s license if Customer fails to pay any required license fee(s) or otherwise fails to comply with the license terms and conditions set forth herein. In the event that Customer’s failure to comply with the license terms and conditions is not payment-related or a material breach of the Agreement, Syncfusion shall give written notice to Customer of such default, and if such default has not been remedied within thirty (30) days after such notice, the license granted hereunder shall terminate. In the event Customer fails to renew the subscription or is no longer eligible under the Syncfusion Plus program, then all licenses will immediately terminate and Syncfusion shall not be required to give any written notice. In the event that Customer has failed to pay any required fee(s), whether an initial license fee or fee for additional licenses or any other services, Syncfusion shall give written notice to Customer of such default, and if such default has not been remedied in full within five (5) days of such notice, all licenses granted hereunder are hereby automatically revoked without further notice. Once any licenses are revoked for failure to pay license fees, all use of the Licensed Product, including other products or products licensed from Syncfusion under prior agreements, shall be strictly prohibited. Syncfusion shall not be required to give any written notice in the event that Customer’s material breach of this Agreement results in the immediate termination of the license granted under this Agreement.
- 8.4 Customer agrees, upon expiration of the license term or upon termination, for any reason, Customer shall immediately return or destroy the Licensed Program(s), all reports made with the Licensed Products, to include from all CAL users, and copies thereof as directed by Syncfusion and, if requested by Syncfusion, to certify in writing as to the destruction or return of the Licensed Product and all copies thereof. Upon termination Customer will have no rights to possess or distribute the Licensed Product. Additionally, Customer acknowledges and agrees that Customer will remove all servers that contain the Licensed Products from all locations.
- 8.5 Sections 7, 8, 9, 10, 11 13, and 19 of this Agreement shall survive the expiration or termination of Customer’s license and this Agreement.

9. Warranty:

- 9.1 The Licensed Products provided to Customer hereunder are provided to You “as-is” and without any warranty or indemnification of any kind. Accordingly, Customer acknowledges and agrees that Customer shall remain solely liable for any claims that may arise from Customer’s use of the Licensed Products, regardless of whether such claims arise alone or in connection with any other products provided by Syncfusion. For the avoidance of doubt, Customer hereby acknowledges and agrees that Syncfusion shall have no liability to Customer whatsoever under any circumstances related to the Licensed Products.

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

9.2 THE ABOVE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY; WHICH WARRANTIES ARE HEREBY DISCLAIMED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

10. Patent and Copyright Indemnification: Syncfusion provides the Licensed Products to Customer without any indemnification of any kind. Accordingly, Customer hereby assumes all risks and liabilities that may arise from Customer's use of the Licensed Products.

11. Use of Licensed Program(s) and Limitation of Liability:

11.1 The Licensed Program(s) are tools that are not intended to replace the professional skills and judgment of Customer and its employees, agents, and consultants. Customer alone shall be responsible for the accuracy and adequacy of information and data furnished for processing and any use made by Customer of the output of the Licensed Program or any reliance thereon by Customer or users of Customer products. Customer shall also be responsible for the continued operation and maintenance of the computer equipment and the third-party software used with the Licensed Program. For these reasons, Customer agrees to be solely responsible for the design, repair, and configuration of Customer's equipment, machinery, systems, and/or products. Customer assumes all risks and liability for results obtained by the use of and/or implementation of the designs developed by Customer that are in any way influenced by the use of the Licensed Program(s) or the provision of services, whether such designs are used singly or in combination with other designs or products. Customer shall protect, indemnify, hold harmless, and defend Syncfusion of and from any loss, cost, damage, or expense, including attorneys' fees, arising from any claim asserted against Syncfusion that is in any way associated with the matters set forth in this Section 11.1.

11.2 Without limitation of Section 11.1 above, Syncfusion assumes no liabilities whatsoever under any circumstances for any claim relating to the subject matter of this Agreement regardless of the form of action, whether in contract or tort, including claims of negligence or claims of intellectual property infringement against Syncfusion.

12. Maintenance and Support:

12.1 Maintenance and Support services are provided in accordance with the terms of Syncfusion's then-current support and maintenance policies. A current version of those policies is available from Syncfusion upon request.

12.2 Syncfusion requires that each copy of the Licensed Program be assigned to an individual end-user for the purpose of efficiently providing Maintenance and Support services. Accordingly, Customer will be required to provide information to Syncfusion that it reasonably requests to identify each individual Author in order for Syncfusion to provide such Maintenance and Support services under a Maintenance and Support services subscription.

12.3 Syncfusion reserves the right, in its sole discretion, to limit or suspend the provision of services under a Maintenance and Support services subscription in the event that Syncfusion determines that Customer is abusing its Maintenance and Support services subscription. Examples of such abuse include, but are not limited to, (i) Customer personnel making excessive use of Syncfusion support resources, (ii) Customer personnel making unreasonable demands of Syncfusion support personnel, and/or (iii) Customer maintaining a number of subscriptions that is fewer than the number in use by Customer's personnel.

12.4 All properly licensed copies of the server-component of the Licensed Product (non-CAL) are eligible for upgrades and updates during the period of valid subscriptions.

13. Proprietary Rights:

13.1 Customer acknowledges and agrees Customer will not provide any information that could be considered personal identifiable information by any law. Providing such information is a material breach of this Agreement.

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

13.2 Information and data supplied by either party to the other party may include confidential or proprietary information. Confidential or proprietary information ("Confidential Information") means any information or data (including without limitation any formula, pattern, compilation, program, device, method, technique, or process) that is disclosed by one party (the "Disclosing Party") to the other party (the "Receiving Party") pursuant to this Agreement.

(a) Confidential Information of Syncfusion includes, but is not limited to, the terms of this Agreement, the Licensed Product, the structure, organization, design, algorithms, methods, templates, data models, data structures, flow charts, logic flow, and screen displays associated with the Licensed Program(s), the Documentation, and pricing information.

(b) Confidential Information of Customer includes, but is not limited to, Customer data and Customer's financial and business information.

(c) Confidential Information shall not include information that either party can demonstrate (i) at the time of disclosure is in the public domain or is otherwise available to the Receiving Party other than on a confidential basis; (ii) after disclosure, becomes a part of the public domain by publication or otherwise through no fault of the Receiving Party; (iii) was disclosed to the Receiving Party by a third party not under an obligation of confidentiality to the Disclosing Party; or (iv) is or has been independently developed by the Receiving Party (as evidenced by the Receiving Party's written records) without access to any Confidential Information of the Disclosing Party.

13.3 Each party agrees (i) to hold the Disclosing Party's Confidential Information in strict confidence, and (ii) except as expressly authorized by this Agreement, not to, directly or indirectly, use, disclose, copy, transfer, or allow access to the Confidential Information. Notwithstanding the foregoing, a Receiving Party may disclose Confidential Information of the Disclosing Party as required by law or court order; in such event, such party shall inform the other party via telephone, email, or facsimile prior to any such required disclosure.

14. Export: Customer acknowledges that the Licensed Product may be subject to export controls. Customer agrees that any Licensed Product and Licensed Assemblies licensed hereunder will not be exported (or re-exported from the country where it was first installed), directly or indirectly, separately or as part of a system, without Customer, at its own cost, first obtaining all necessary licenses from the United States Department of Commerce and any other appropriate agency of the United States Government as may be required by law. Customer acknowledges that it shall be solely responsible for determining the extent of any such licenses required, and for any costs associated with complying with the requirements of this Section 14. You may not access, download, use, or export the Licensed Product in violation of U.S. export laws or regulations, or in violation of any other applicable laws or regulations. You agree to comply with all export laws, restrictions, and regulations of any United States or applicable agency or authority, and to not directly or indirectly provide or otherwise make available any Licensed Product in violation of any such restrictions, laws, or regulations, including, without limitation, laws, restrictions, or regulations pertaining to the development, design, manufacture, or production of nuclear, chemical, or biological weapons or missile technology. Neither the Licensed Product Syncfusion provides nor the underlying information or technology may be downloaded or otherwise provided or made available, either directly or indirectly, into any country subject to U.S. trade sanctions, (Supplement Number 1 to Part 740, Export Administration Regulations, Country Group E:1), to individuals or entities controlled by such countries, or to nationals or residents of such countries other than nationals who are lawfully admitted permanent residents of countries not subject to such sanctions. By agreeing to these Terms of Use, you agree to the foregoing and represent and warrant that you are not located in, under the control of, or a national or resident of any such country or on any such list.

15. Government Contracting: If the Licensed Product is used in connection with providing goods and/or services to the United States government or other government contracting or subcontracting services,

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

Customer shall ensure that no government agency or entity shall acquire any rights of any nature in the Licensed Program(s). Notwithstanding the foregoing, Customer may freely license its products that include Licensed Assemblies.

16. Taxes: The License Fees and any other amounts payable pursuant to the terms and conditions herein are exclusive of all national, state, regional, local municipal, or other taxes and fees, including but not limited to excise, sales, use, property, ad valorem, intangibles, goods and services and value added taxes, and customs duties and registration fees now in force or enacted in the future, and all such taxes and fees, except taxes based on Syncfusion's net worth, capital, or net income, shall be paid directly by the Customer, or if paid by Syncfusion, Customer will reimburse Syncfusion.

17. Notice: Any notice or other communication given hereunder shall be in writing. Notice shall be considered delivered and effective upon receipt when sent by U.S. Mail, postage prepaid, or certified mail, return receipt requested, addressed to the parties as set forth above. Either party, upon written notice to the other, may change any name or address to which future notice shall be sent.

18. Audit:

18.1 General Audit: Customer shall prepare and maintain, in accordance with sound, generally accepted accounting practices, complete and accurate books of account and records (specifically including, without limitation, the originals or copies of documents supporting entries in the books of account) covering all transactions arising out of or relating to this Agreement. Syncfusion (and, in its discretion, a duly authorized independent certified public accounting firm of its choosing), shall have the right, no more than twice per calendar year, during regular business hours, during the period of time that Customer possesses any copy of the Licensed Product, and for two (2) years thereafter, to audit said books of account and records and examine all other documents and materials in the possession or under the control of Customer with respect to the subject matter and the terms of this Agreement. All such books of account, records, and documents shall be kept available by Customer for at least two (2) years after the last copy of the Licensed Product has been deleted from all of its computer servers or destroyed. If the result of any audit of Customer's books and records demonstrates that Customer's payments were less than the amount which should have been paid, Customer shall make payment of any discrepancy revealed by said audit within fifteen (15) days after Syncfusion's demand therefore and, if the discrepancy is an amount equal to three percent (3%) or more of the payments actually made with respect to payments due hereunder, Customer shall reimburse Syncfusion for the cost of such audit.

18.2 Under-licensing / Verification of end-users: As set forth in Section 4 above, each individual end-user must have an assigned copy of the Licensed Product. Syncfusion reserves the sole right to make a determination as to how many end-users it believes that Customer allows to access the Licensed Product if Syncfusion believes that Customer is under-licensed, and to require that Customer obtain additional copies of the Licensed Product if in Syncfusion's opinion Customer is under-licensed. For the avoidance of doubt, Syncfusion will make this determination based on its proprietary methods and not based on Customer's representations regarding how many users Customer believes need to have access to the Licensed Product. In addition, the cost of a Maintenance and Support Services subscription is dependent upon the number of end-users at the time such Maintenance and Support Services subscription is renewed. Therefore, Customer acknowledges and agrees that it must cooperate with Syncfusion in providing whatever information Syncfusion reasonably requires in order to determine the size of Customer's development teams without necessitating that Syncfusion make an on-site audit as allowed under Section 18.1 above. Failure to provide such cooperation is a material breach under this Agreement that is not subject to cure, and Syncfusion reserves the right to terminate all rights licensed under this Agreement for such breach.

19. General:

SYNCFUSION REPORT PLATFORM SOFTWARE LICENSE AGREEMENT

- 19.1 Customer may not assign any of its obligations, rights, or remedies hereunder and any such attempted assignment shall be null and void.
- 19.2 The waiver or failure of either party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further right hereunder. This Agreement constitutes the complete understanding between the parties with respect to the subject matter herein and supersedes all proposals, all previous negotiations and agreements, written or oral, express or implied, between the parties with respect to the subject matter herein. This Agreement may not be waived, altered, amended, or modified except in writing, directly referencing the Agreement, and signed by authorized representatives of both parties.

- 19.5 Syncfusion shall have the right, but no obligation, to use Customer's name and Customer's commonly-known logo in a list of some or all of Syncfusion's other licensees. Such list will only identify Customer by name and/or logo, but will not make any statement about the relationship between Syncfusion and Customer without Customer's permission. Syncfusion will remove Customer's name and/or logo from any such list upon sixty (60) days' written notice from Customer.
- 19.6 The obligations of Customer under Sections 7, 13, 14 and 15 hereof are of a special and unique character which gives them a particular value to Syncfusion and its third party vendors for which neither Syncfusion nor its third party vendors can be reasonably or adequately compensated in damages in the event Customer breaches such obligations. Therefore, Syncfusion and its third party vendors shall, in addition to other remedies which may be available, each be entitled to injunctive and other equitable relief in the event of the breach or threatened breach of such obligations.
- 19.7 This Agreement shall be governed by the substantive laws of the state of North Carolina without regard to any conflict of law provisions. This Agreement will not be governed by the United Nations Convention of Contracts for the International Sale of Goods or by the Uniform Commercial Code, the application of which are expressly excluded. The parties agree that sole jurisdiction and venue for any dispute relating to the Agreement shall be in a federal or state court in Wake County, North Carolina.
