TEXT CONTROL

TX SPELL .NET LICENSE AGREEMENT

This legal document is an agreement between you, the **Licensee**, and **Text Control GmbH**. By installing TX Spell .NET on your computer, you are agreeing to be bound by the terms of this agreement. If you do not agree to the terms of this agreement, promptly return the unopened package, together with all the other material which comprises the product, respectively delete all TX Spell .NET related files. For questions regarding this agreement please use the support center to contact us:

http://support.textcontrol.com/

1.   Subject of agreement

The subject of this agreement is the software TX Spell .NET, the operating manuals, online help files and all other accompanying material. It will be referred to henceforth as "**TX Spell .NET**".

2.   Grant of license

Text Control GmbH grants the Licensee a non-exclusive, non-transferable, personal and worldwide license to use one copy of TX Spell .NET in the development of an end-user application, as described in section 3 (below). This license is for a single developer and not for an entire company. If additional programmers wish to use TX Spell .NET, additional copies must be licensed.

3.   End user application

An "end user application" is a specific application program that is licensed to a person or firm for business or personal use. The files which are not listed under section 5 must not be included with the end user application. Furthermore, the end user must not be in a position to be able to neither modify the program, nor to create TX Spell .NET based programs. Likewise, the end user must not be given the TX Spell .NET serial number.

4.   Royalties

TX Spell .NET is royalty free. End user applications that have been developed with TX Spell .NET may be distributed in an unlimited number, without paying any license fees whatsoever.

5.   Redistributable files

Redistributable components are those files included in TX Spell .NET's "Assembly" folder. The dictionaries in the subfolder "Dictionaries" are covered by an LGPL license and can be freely redistributed given that their content has not been modified. Refer to the dictionary license files for further instructions and limitations.

6.   Copyright

The Software is the property of Text Control GmbH. Text Control GmbH reserves all rights to the publishing, duplication, processing and utilization of TX Spell .NET. A single copy may be made exclusively for security and archiving purposes. Without the express written permission of Text Control GmbH it is forbidden to:

- alter, translate, decompile, or to disassemble TX Spell .NET;

- copy TX Spell .NET's accompanying written documentation;

- lend, hire out or lease TX Spell .NET.

    A permanent transference of TX Spell .NET is only permitted when the Licensee retains no copies and the recipient declares his acceptance of the conditions of this agreement.

7.   Exclusion of warranties

Text Control GmbH offers and the Licensee accepts the product "as is". Text Control GmbH does not warrant TX Spell .NET will meet the Licensee's requirements, nor will operate uninterrupted, nor error free.

8.   Liability

With the exception of damage caused by wilful or gross negligence, neither Text Control GmbH nor its distributors are responsible for any damage whatsoever which is put down to the use of TX Spell .NET. This is valid without exception, including loss of profits, lost working time, lost company information or other financial losses. In any event the liability of Text Control GmbH is limited to the purchase price.

9.   Trial Version Limitation

If you are installing a trial version of TX Spell .NET .NET Server, it is forbidden to:

- install the trial version on a production server

- distribute or sell an application with the trial version

- delete the additional trial text that is added to the created documents.

10.   Duration of Agreement

This agreement is valid for an indefinite period of time. The Licensee's rights as a user automatically expire if the conditions of this agreement are in any way violated. In this event all data storage material and all copies of TX Spell .NET are to be destroyed.
